PUBLISHER'S FOREWORD

Statutes

The 2021 Supplement to the Mississippi Code of 1972 Annotated reflects the statute law of Mississippi as amended by the Mississippi Legislature through the end of the 2021 Regular Legislative Session.

Annotations

Case annotations are included based on decisions of the State and federal courts in cases arising in Mississippi. Annotations to collateral research references are also included.

To better serve our customers by making our annotations more current, LexisNexis has changed the sources that are read to create annotations for this publication. Rather than waiting for cases to appear in printed reporters, we now read court decisions as they are released by the courts. A consequence of this more current reading of cases, as they are posted online on LexisNexis, is that the most recent cases annotated may not yet have print reporter citations. These will be provided, as they become available, through later publications.

This publication contains annotations taken from decisions of the Mississippi Supreme Court and the Court of Appeals and decisions of the appropriate federal courts. These cases will be printed in the following reporters:

Southern Reporter, 3rd Series
United States Supreme Court Reports
Supreme Court Reporter
United States Supreme Court Reports, Lawyers' Edition, 2nd Series
Federal Reporter, 4th Series
Federal Supplement, 3rd Series
Federal Rules Decisions
Bankruptcy Reporter

Additionally, annotations have been taken from the following sources:

American Law Reports, 6th Series
American Law Reports, Federal 2nd
Mississippi College Law Review
Mississippi Law Journal

Finally, published opinions of the Attorney General and opinions of the Ethics Commission have been examined for annotations.

Amendment Notes

Amendment notes detail how the new legislation affects existing sections.

Editor's Notes

Editor's notes summarize subject matter and legislative history of repealed sections, provide information as to portions of legislative acts that have not been codified, or explain other pertinent information.

Joint Legislative Committee Notes

Joint Legislative Committee notes explain codification decisions and corrections of Code errors made by the Mississippi Joint Legislative Committee on Compilation, Revision, and Publication of Legislation.

Tables

The Statutory Tables volume adds tables showing disposition of legislative acts through the 2021 Regular Session.

Index

The comprehensive Index to the Mississippi Code of 1972 Annotated is replaced annually, and we welcome customer suggestions. The foreword to the Index explains our indexing principles, suggests guidelines for successful index research, and provides methods for contacting indexers.

Acknowledgements

The publisher wishes to acknowledge the cooperation and assistance rendered by the Mississippi Joint Legislative Committee on Compilation, Revision, and Publication of Legislation, as well as the offices of the Attorney General and Secretary of State, in the preparation of this supplement.

All members must be notified in writing of all meetings at least five (5) days before the date on which a meeting of the task force is scheduled.

A goal of the task force is to work to provide a true picture of crime in the state and movement of offenders which could help predict and prevent criminal activity. The task force shall coordinate its work with the arrest and dispositions reporting as a valuable tool for measuring the impact of programs that seek to reduce recidivism, incarceration, and provide more support services in communities. "(6) The task force shall prepare and submit a final report that contains a detailed statement of findings, conclusions and recommendations of the task force to the Legislature, the Governor, and to local and tribal governments by October 13, 2017, and the task force shall stand dissolved on December 31, 2017. It is the intention of the Legislature that, given the importance of the matters before the task force, the task force should work toward unanimously supported findings and recommendations. The report submitted under this subsection shall be made available to the public."

(g) To aid and assist any law enforcement officer whose life or safety is in jeopardy. Additionally, officers of the Highway Safety Patrol may arrest without warrant any fugitive from justice who has escaped or who is using the highways of the state in an attempt to flee. Additionally, the time of commencement and termination of the specific law enforcement incident shall be clearly noted on the radio logs of both law enforcement agencies.

(2) The Legislature declares that the primary law enforcement officer in any county in the State of Mississippi is the duly qualified and elected sheriff thereof, but for the purposes of this subsection there is hereby vested in the Department of Public Safety, in addition to the powers hereinabove mentioned and the other provisions of this section under the terms and limitations hereinafter mentioned and for the purpose of insuring domestic tranquility and for the purpose of preventing or suppressing, or both, crimes of violence, acts and conduct calculated to, or which may, provoke or lead to violence and/or incite riots, mobs, mob violence, a breach of the peace, and acts of intimidation or terror, the powers and duties to include the enforcement of all the laws of the State of Mississippi relating to such purposes, to investigate any violation of the laws of the State of Mississippi and to aid in the arrest and prosecution of persons charged with violating the laws of the State of Mississippi which relate to such purposes. Investigators of the Bureau of Investigation of the Department of Public Safety shall have general police powers to enforce all the laws of the State of Mississippi. All officers of the Department of Public Safety charged with the enforcement of the laws administered by that agency, for the purposes herein set forth, shall have full power to investigate, prevent, apprehend and arrest law violators anywhere in the state, and shall be vested with the power of general police officers in the performance of their duties. The officers of the Department of Public Safety are authorized and empowered to carry and use firearms and other weapons deemed necessary in the discharge of their duties as such and are also empowered to serve warrants and subpoenas issued under the authority of the State of Mississippi. The Governor shall be authorized to offer and pay suitable rewards to persons aiding in the investigation, apprehension and conviction of persons charged with acts of violence, or threats of violence or intimidation or acts of terrorism. The additional powers herein granted to or vested in the Department of Public Safety or any of its officers or employees by this section, excepting investigating powers, and those powers of investigators who shall have general police power, being the investigators in the Bureau of Investigation of the Department of Public Safety, shall not be exercised by the Department of Public Safety, or any of its officers or employees, except upon authority and direction of the Governor or Acting Governor, by proclamation duly signed, in the following instances, to wit:

(a) When requested by the sheriff or board of supervisors of any county or the mayor of any municipality on the grounds that mob violence, crimes of violence, acts and conduct of terrorism, riots or acts of intimidation, or either, calculated to or which may provoke violence or incite riots, mobs, mob

violence, violence, or lead to any breach of the peace, or either, and acts of intimidation or terror are anticipated, and when such acts or conduct in the opinion of the Governor or Acting Governor would provoke violence or any of the foregoing acts or conduct set out in this subsection, and the sheriff or mayor, as the case may be, lacks adequate police force to prevent or suppress the same.

(b) Acting upon evidence submitted to him by the Department of Public Safety, or other investigating agency authorized by the Governor or Acting Governor to make such investigations, because of the failure or refusal of the sheriff of any county or mayor of any municipality to take action or employ such means at his disposal, to prevent or suppress the acts, conduct or offenses provided for in subsection (1) of this section, the Governor or Acting Governor deems it necessary to invoke the powers and authority vested in the Department of Public Safety.

(c) The Governor or Acting Governor is hereby authorized and empowered to issue his proclamation invoking the powers and authority vested by this paragraph, as provided in paragraphs (a) and (b) of this subsection, and when the Governor or Acting Governor issues said proclamation in accordance herewith, said proclamation shall become effective upon the signing thereof and shall continue in full force and effect for a period of ninety (90) days, or for a shorter period if otherwise ordered by the Governor or Acting Governor. At the signing of the proclamation by the Governor or Acting Governor, the Department of Public Safety and its officers and employees shall thereupon be authorized to exercise the additional power and authority vested in them by this paragraph. The Governor and Acting Governor may issue additional proclamations for periods of ninety (90) days each under the authority of paragraphs (a) and (b) of this subsection (2).

(3) All proclamations issued by the Governor or Acting Governor shall be filed in the Office of the Secretary of State on the next succeeding business day.

(4) It is not the intention of this section to vest the wide powers and authority herein provided for, as general powers of the Department of Public Safety, and the same are not hereby so vested, but to limit these general powers to cases and incidents wherein it is deemed necessary to prevent or suppress the offenses and conditions herein mentioned in this and other subsections of this section, and under the terms and conditions hereinabove enumerated, it being the sense of the Legislature that the prime duties of the Department of Public Safety are to patrol the highways of this state and enforce the highway safety laws.

(5) Patrol officers shall have no interest in any costs in the prosecution of any case through any court; nor shall any patrol officer receive any fee as a witness in any court held in this state, whether a state or federal court.

(6) Provided, however, that the general police power vested by virtue of the terms of subsection (2) of this section is solely for the purposes set out in said subsection.

CHAPTER 6.

LAW ENFORCEMENT OFFICERS TRAINING PROGRAM

Sec.

§ 45-6-1. Legislative findings and intent.

JUDICIAL DECISIONS

1. Statutorily mandated training.

In a Mississippi Tort Claims Act case filed against the town and the chief of police resulting from the chief slapping plaintiff on her bottom while in the workplace, summary judgment was properly granted and her claim against the town for the failure to properly train and/or supervise the chief was properly dismissed because plaintiff failed to provide any legal authority that the town was required to provide training in addition to that training statutorily required by the Mississippi Law Enforcement Training Academy; the town nonetheless provided the chief with some local training before and after the incident; and the chief acted outside the course and scope of his law-enforcement duties when he committed the simple-assault. Harris v. Town of Woodville, 196 So. 3d 1121, 2016 Miss. App. LEXIS 477 (Miss. Ct. App. 2016).

§ 45-6-3. Definitions.

For the purposes of this chapter, the following words shall have the meanings ascribed herein, unless the context shall otherwise require:

(a) "Commission" means the Criminal Justice Planning Commission.

(b) "Board" means the Board on Law Enforcement Officer Standards and Training.

(c) "Law enforcement officer" means any person appointed or employed full time by the state or any political subdivision thereof, or by the state military department as provided in Section 33-1-33, who is duly sworn and vested with authority to bear arms and make arrests, and whose primary responsibility is the prevention and detection of crime, the apprehension of criminals and the enforcement of the criminal and traffic laws of this state and/or the ordinances of any political subdivision thereof. The term "law enforcement officer" also includes employees of the Department of Corrections who are designated as law enforcement officers by the Commissioner of Corrections pursuant to Section 47-5-54, those district attorney criminal investigators who are designated as law enforcement officers, the acting Commissioner of Public Safety, the acting Director of Mississippi Bureau of Narcotics, the acting Director of the Office of Homeland Security, and any employee of the Department of Public Safety designated by the commissioner who has previously served as a law enforcement officer and who would not otherwise be disqualified to serve in such capacity. However, the term "law enforcement officer" shall not mean or include any elected official or any person employed as a legal assistant to a district attorney in this state, compliance agents of the State Board of Pharmacy, or any person or elected official who, subject to approval by the board, provides some criminal justice related services for a law enforcement agency. As used in this paragraph, "appointed or employed full time" means any person, other than a deputy sheriff or municipal law enforcement officer, who is receiving gross compensation for his or her duties as a law enforcement officer of Two Hundred Fifty Dollars ($250.00) or more per week or One Thousand Seventy-five Dollars ($1,075.00) or more per month; for a deputy sheriff or municipal law enforcement officer, the term "appointed or employed full time" means a deputy sheriff or municipal law enforcement officer who is receiving gross compensation for his or her duties as a law enforcement officer of Four Hundred Seventy-five Dollars ($475.00) or more per week or Two Thousand Fifty Dollars ($2,050.00) or more per month.

(d) "Part-time law enforcement officer" shall mean any person appointed or employed in a part-time, reserve or auxiliary capacity by the state or any political subdivision thereof who is duly sworn and vested with authority to bear arms and make arrests, and whose primary responsibility is the prevention and detection of crime, the apprehension of criminals and the enforcement of the criminal and traffic laws of this state or the ordinances of any political subdivision thereof. However, the term "part-time law enforcement officer" shall not mean or include any person or elected

official who, subject to approval by the board, provides some criminal justice related services for a law enforcement agency. As used in this paragraph, "appointed or employed" means any person, other than a deputy sheriff or municipal law enforcement officer, who is performing such duties at any time whether or not they receive any compensation for duties as a law enforcement officer provided that such compensation is less than Two Hundred Fifty Dollars ($250.00) per week or One Thousand Seventy-five Dollars ($1,075.00) per month; for a deputy sheriff or municipal law enforcement officer, the term "appointed or employed" means a deputy sheriff or municipal law enforcement officer who is performing such duties at any time whether or not they receive any compensation for duties as a law enforcement officer provided that such compensation is less than Four Hundred Seventy-five Dollars ($475.00) per week or Two Thousand Fifty Dollars ($2,050.00) per month.

(e) "Law enforcement trainee" shall mean any person appointed or employed in a full-time, part-time, reserve or auxiliary capacity by the state or any political subdivision thereof for the purposes of completing all the selection and training requirements established by the board to become a law enforcement officer or a part-time law enforcement officer. The term "law enforcement trainee" also includes any employee of the Department of Public Safety so designated by the Commissioner of Public Safety. Individuals under this paragraph shall not have the authority to use force, bear arms, make arrests or exercise any of the powers of a peace officer unless:

(i) The trainee is under the direct control and supervision of a law enforcement officer;

(ii) The trainee was previously certified under this chapter; or

(iii) The trainee is a certified law enforcement officer in a reciprocating state.

HISTORY: Laws, 1981, ch. 474, § 2; Laws, 1990, ch. 434, § 1; Laws, 1992, ch. 531, § 8; Laws, 1993, ch. 416, § 29; Laws, 1996, ch. 422, § 2; Laws, 1998, ch. 394, § 2; Laws, 2003, ch. 490, § 2; Laws, 2004, ch. 388, § 1; Laws, 2007, ch. 510, § 1, eff from and after July 1, 2007; Laws, 2020, ch. ch. 391, § 1, eff from and after July 1, 2020; Laws, 2021, ch. 403, § 4, eff from and after July 1, 2021.

Joint Legislative Committee Note — Pursuant to Section 1-1-109, the Joint Legislative Committee on Compilation, Revision and Publication of Legislation corrected a typographical error in the last sentence of (c) by substituting "or" for "for" so that "the term 'appointed for employed full time' means" reads "the term 'appointed or employed full time' means." The Joint Committee ratified the correction at its October 19, 2020, meeting.

Amendment Notes — The 2020 amendment, in (1)(c) and (1)(d), inserted "other than a deputy sheriff or municipal law enforcement officer"; in the fourth sentence of (1)(c), added "for a deputy sheriff or municipal law enforcement officer...officer who is receiving...Two Thousand Fifty Dollars ($2,050.00) or more per month"; and in the third sentence of (1)(d), added "for a deputy sheriff or municipal law enforcement officer...officer who is performing such duties...Two Thousand Fifty Dollars ($2,050.00) or more per month."

The 2021 amendment, in (c), in the second sentence, added "the acting Commissioner

of Public Safety...not otherwise be disqualified to serve in such capacity" at the end; and in (e), added the second sentence, and in the third sentence, substituted "Individuals under this paragraph shall" for "Such individuals shall."

JUDICIAL DECISIONS

1. In general.

Sheriff, rather than a circuit court, was to make hiring, firing, and compensation changes affecting bailiffs, as bailiffs were deputies of the sheriff. A circuit court order and opinion stating that bailiffs fell under the authority of the judiciary rather than the sheriff were void in part to the extent that they directly violated the Mississippi Constitution and statutory law. Lewis v. Hinds County Circuit Court, 158 So. 3d 1117, 2015 Miss. LEXIS 102 (Miss. 2015).

Police chief's speech in reporting the Mayor of the city to outside law enforcement agencies for misuse of the city gasoline card was not constitutionally protected because, in light of his statutory duties, communicating with outside law enforcement agencies was part of the police chief's job responsibilities. Gibson v. Kilpatrick, 773 F.3d 661, 2014 U.S. App. LEXIS 23330 (5th Cir. Miss. 2014), cert. denied, 575 U.S. 1010, 135 S. Ct. 2318, 191 L. Ed. 2d 980, 2015 U.S. LEXIS 3261 (U.S. 2015).

§ 45-6-7. Powers of board.

In addition to the powers conferred upon the board elsewhere in this chapter, the board shall have power to:

(a) Promulgate rules and regulations for the administration of this chapter, including the authority to require the submission of reports and information by law enforcement agencies of the state and its political subdivisions.

(b) Establish minimum educational and training standards for admission to employment or appointment as a law enforcement officer or a part-time law enforcement officer: (i) in a permanent position; and (ii) in a probationary status. The minimum educational and training standards for any law enforcement officer assigned to field or investigative duties shall include at least two (2) hours of training related to handling complaints of human trafficking and commercial sexual exploitation of children as defined in Section 43-21-105, communicating with such victims, and requiring the officer to contact the Department of Child Protection Services when human trafficking or commercial sexual exploitation is suspected.

(c) Certify persons as being qualified under the provisions of this chapter to be law enforcement officers or part-time law enforcement officers.

(d) Revoke certification for cause and in the manner provided in this chapter. The board is authorized to subpoena documents regarding revocations. The board shall maintain a current list of all persons certified under this chapter who have been placed on probation, suspended, subjected to revocation of certification, or any combination of these.

(e) Establish minimum curriculum requirements for basic and advanced courses and programs for schools operated by or for the state or any political subdivision thereof for the specific purpose of training police and other law enforcement officers, both full- and part-time, which shall include a minimum of two (2) hours of training in a course or courses related to the

identification of and support for victims of human trafficking and commercial sexual exploitation.

(f) Consult and cooperate with counties, municipalities, state agencies, other governmental agencies, and with universities, colleges, community and junior colleges and other institutions concerning the development of training schools, programs or courses of instruction for personnel defined in this chapter.

(g) Make recommendations concerning any matter within its purview pursuant to this chapter.

(h) Make such inspection and evaluation as may be necessary to determine if governmental units are complying with the provisions of this chapter.

(i) Approve law enforcement officer training schools for operation by or for the state or any political subdivision thereof for the specific purpose of training personnel defined in this chapter.

(j) Upon the request of agencies employing personnel defined in this chapter, conduct surveys or aid municipalities and counties to conduct surveys through qualified public or private agencies and assist in the implementation of any recommendations resulting from such surveys.

(k) Upon request of agencies within the purview of this chapter, conduct general and specific management surveys and studies of the operations of the requesting agencies at no cost to those agencies. The role of the board under this subsection shall be that of management consultant.

(*l*) Adopt and amend regulations consistent with law, for its internal management and control of board programs.

(m) Enter into contracts or do such things as may be necessary and incidental to the administration of this chapter.

(n) Establish jointly with the State Board of Education the minimum level of basic law enforcement training required of persons employed by school districts as school security guards, or school resource officers or in other positions that have the powers of a peace officer.

Amendment Notes — The 2019 amendment added the last sentence of (b); and added "which shall include a minimum...victims of human trafficking and commercial sexual exploitation" at the end of (e).

§ 45-6-11. Law enforcement officer qualifications; recertification after leaving law enforcement; certification; reprimand, suspension or revocation of certification.

(1) Law enforcement officers already serving under permanent appointment on July 1, 1981, and personnel of the Division of Community Services under Section 47-7-9, Mississippi Code of 1972, serving on July 1, 1994, shall

not be required to meet any requirement of subsections (3) and (4) of this section as a condition of continued employment; nor shall failure of any such law enforcement officer to fulfill such requirements make that person ineligible for any promotional examination for which that person is otherwise eligible. Provided, however, if any law enforcement officer certified under the provisions of this chapter leaves his employment as such and does not become employed as a law enforcement officer within two (2) years from the date of termination of his prior employment, he shall be required to comply with board policy as to rehiring standards in order to be employed as a law enforcement officer; except, that, if any law enforcement officer certified under this chapter leaves his employment as such to serve as a sheriff, he may be employed as a law enforcement officer after he has completed his service as a sheriff without being required to comply with board policy as to rehiring standards. Part-time law enforcement officers serving on or before July 1, 1998, shall have until July 1, 2001, to obtain certification as a part-time officer.

(2)(a) Any person who has twenty (20) years of law enforcement experience and who is eligible to be certified under this section shall be eligible for recertification after leaving law enforcement on the same basis as someone who has taken the basic training course. Application to the board to qualify under this paragraph shall be made no later than June 30, 1993.

(b) Any person who has twenty-five (25) years of law enforcement experience, whether as a part-time, full-time, reserve or auxiliary officer, and who has received certification as a part-time officer, may be certified as a law enforcement officer as defined in Section 45-6-3(c) without having to meet further requirements. Application to the board to qualify under this paragraph shall be made no later than June 30, 2009.

(3)(a) No person shall be appointed or employed as a law enforcement officer or a part-time law enforcement officer unless that person has been certified as being qualified under the provisions of subsection (4) of this section.

(b) No person shall be appointed or employed as a law enforcement trainee in a full-time capacity by any law enforcement unit for a period to exceed one (1) year. No person shall be appointed or employed as a law enforcement trainee in a part-time, reserve or auxiliary capacity by any law enforcement unit for a period to exceed two (2) years. The prohibition against the appointment or employment of a law enforcement trainee in a full-time capacity for a period not to exceed one (1) year or a part-time, reserve or auxiliary capacity for a period not to exceed two (2) years may not be nullified by terminating the appointment or employment of such a person before the expiration of the time period and then rehiring the person for another period. Any person, who, due to illness or other events beyond his control, could not attend the required school or training as scheduled, may serve with full pay and benefits in such a capacity until he can attend the required school or training.

(c) No person shall serve as a law enforcement officer in any full-time, part-time, reserve or auxiliary capacity during a period when that person's

certification has been suspended, cancelled or recalled pursuant to the provisions of this chapter.

(4) In addition to the requirements of subsections (3), (7) and (8) of this section, the board, by rules and regulations consistent with other provisions of law, shall fix other qualifications for the employment of law enforcement officers, including minimum age, education, physical and mental standards, citizenship, good moral character, experience and such other matters as relate to the competence and reliability of persons to assume and discharge the responsibilities of law enforcement officers, and the board shall prescribe the means for presenting evidence of fulfillment of these requirements. Additionally, the board shall fix qualifications for the appointment or employment of part-time law enforcement officers to essentially the same standards and requirements as law enforcement officers. The board shall develop and implement a part-time law enforcement officer training program that meets the same performance objectives and has essentially the same or similar content as the programs approved by the board for full-time law enforcement officers and the board shall provide that such training shall be available locally and held at times convenient to the persons required to receive such training.

(5) Any elected sheriff, constable, deputy or chief of police may apply for certification. Such certification shall be granted at the request of the elected official after providing evidence of satisfaction of the requirements of subsections (3) and (4) of this section. Certification granted to such elected officials shall be granted under the same standards and conditions as established by law enforcement officers and shall be subject to recall as in subsection (7) of this section.

(6) The board shall issue a certificate evidencing satisfaction of the requirements of subsections (3) and (4) of this section to any applicant who presents such evidence as may be required by its rules and regulations of satisfactory completion of a program or course of instruction in another jurisdiction or military training equivalent in content and quality to that required by the board for approved law enforcement officer education and training programs in this state, and has satisfactorily passed any and all diagnostic testing and evaluation as required by the board to ensure competency.

(7) Professional certificates remain the property of the board, and the board reserves the right to either reprimand the holder of a certificate, suspend a certificate upon conditions imposed by the board, or cancel and recall any certificate when:

(a) The certificate was issued by administrative error;

(b) The certificate was obtained through misrepresentation or fraud;

(c) The holder has been convicted of any crime involving moral turpitude;

(d) The holder has been convicted of a felony;

(e) The holder has committed an act of malfeasance or has been dismissed from his employing law enforcement agency; or

(f) Other due cause as determined by the board.

(8) When the board believes there is a reasonable basis for either the reprimand, suspension, cancellation of, or recalling the certification of a law enforcement officer or a part-time law enforcement officer, notice and opportunity for a hearing shall be provided in accordance with law prior to such reprimand, suspension or revocation.

(9) Any full- or part-time law enforcement officer aggrieved by the findings and order of the board may file an appeal with the chancery court of the county in which such person is employed from the final order of the board. Such appeals must be filed within thirty (30) days of the final order of the board.

(10) Any full- or part-time law enforcement officer whose certification has been cancelled pursuant to this chapter may reapply for certification, but not sooner than two (2) years after the date on which the order of the board cancelling such certification becomes final.

RESTRICTIONS UPON LOCAL REGULATION OF FIREARMS OR AMMUNITION

§ 45-9-55. Employer not permitted to prohibit transportation or storage of firearms on employer property; exceptions; certain immunity for employer.

JUDICIAL DECISIONS

ANALYSIS

0.5. Construction.

Access to a lot was restricted and limited within the meaning of this statute's exception because the drop arms at an entry point provided at least a periodic limitation; a security camera was directed at the entry and was monitored from a central security office; security officers continuously patrolled the entire plant, including the lot at issue; barbed-wire-topped, chain-link fence surrounded the entire plant; and there were visible no-trespassing signs posted at all plant entrances. McIntyre v. Nissan N. Am., Inc., 960 F.3d 231, 2020 U.S. App. LEXIS 17100 (5th Cir. Miss. 2020).

Restricting and limiting are not terms that imply impassable barriers. Still, for the provision to be an exception to and not an elimination of employees' rights to possess firearms in vehicles, the means adopted must have a more than negligible impact on access. McIntyre v. Nissan N. Am., Inc., 960 F.3d 231, 2020 U.S. App. LEXIS 17100 (5th Cir. Miss. 2020).

Federal district court properly granted the motions by an employer and automobile manufacturer for summary judgment in an employee's wrongful discharge action because the statutory exception applied where the manufacturer and the employer both had policies prohibiting firearms on company property, including the parking lots, and the public's access to the manufacturer's lot at issue was "restricted or limited" by a barbed-wire-topped, chain-link fence surrounding the premises and visible no-trespassing signs posted at all entrances, and the manufacturer was not the employee's employer. McIntyre v. Nissan N. Am., Inc., 962 F.3d 833, 2020 U.S. App. LEXIS 19738 (5th Cir. Miss. 2020).

Miss. Const. art. 3, § 12, Miss. Code Ann. § 97-37-1(2), and Miss. Code Ann. § 45-9-55 establish the express legislative action and the State law prohibitions, and an employee may be discharged at the employer's will for good reason, bad reason, or no reason at all, excepting reasons independently declared legally impermissible; an employee is wrongfully discharged if terminated for an act specifically allowed by State law, the prohibition of which is specifically disallowed by statutory law. Swindol v. Aurora Flight Scis. Corp., 194 So. 3d 847, 2016 Miss. LEXIS 131 (Miss. 2016).

1. Wrongful discharge.

Where a former employee appealed a district court's dismissal of his wrongful termination claim, based on the response of the Mississippi Supreme Court to a certified question as to the effect of Miss. Code Ann. § 45-9-55, he stated a claim for wrongful discharge under Mississippi law.

Swindol v. Aurora Flight Scis. Corp., 832 F.3d 492, 2016 U.S. App. LEXIS 14550 (5th Cir. Miss. 2016).

Subsection (5) did not shield an employer from liability for the wrongful discharge of an employee for storing a firearm in a locked vehicle on company property because it established freedom from liability for the actions of employees or third parties; while in subsection (1) employers cannot enforce policies or rules that had the effect of prohibiting a person from having a firearm in a locked vehicle, it also chose to grant employers immunity should an occurrence result from that prohibition. Swindol v. Aurora Flight Scis. Corp., 194 So. 3d 847, 2016 Miss. LEXIS 131 (Miss. 2016).

Employer was liable for the wrongful discharge of an employee for storing a firearm in a locked vehicle on company property because the Legislature declared that it was legally impermissible for an employer to terminate an employee for having a firearm inside his or her locked vehicle on company property. Swindol v. Aurora Flight Scis. Corp., 194 So. 3d 847, 2016 Miss. LEXIS 131 (Miss. 2016).

Court certified to the Mississippi Supreme Court question of whether in Mississippi employer could be liable for wrongful discharge of employee for storing firearm in locked vehicle on company property in manner that was consistent with Miss. Code Ann. § 45-9-55 because the issue presented an important and determinative question of state law that had not been addressed by Mississippi courts. Swindol v. Aurora Flight Scis. Corp., 805 F.3d 516, 2015 U.S. App. LEXIS 15232 (5th Cir. Miss. 2015).

§ 45-9-101. License to carry stun gun, concealed pistol or revolver; license fees; exemptions; no license required to carry pistol or revolver in purse, briefcase, fully enclosed case, etc.

(1)(a) Except as otherwise provided, the Department of Public Safety is authorized to issue licenses to carry stun guns, concealed pistols or revolvers to persons qualified as provided in this section. It shall be presumed that an applicant chronically and habitually uses controlled substances to the extent that his faculties are impaired if the applicant has been voluntarily or involuntarily committed to a treatment facility for the abuse of a controlled substance or been found guilty of a crime under the provisions of the Uniform Controlled Substances Law or similar laws of any other state or the United States relating to controlled substances within a three-year period immediately preceding the date on which the application is submitted;

(f) Does not chronically and habitually use alcoholic beverages to the extent that his normal faculties are impaired. It shall be presumed that an applicant chronically and habitually uses alcoholic beverages to the extent that his normal faculties are impaired if the applicant has been voluntarily or involuntarily committed as an alcoholic to a treatment facility or has been convicted of two (2) or more offenses related to the use of alcohol under the laws of this state or similar laws of any other state or the United States within the three-year period immediately preceding the date on which the application is submitted;

(3) The Department of Public Safety may deny a license if the applicant has been found guilty of one or more crimes of violence constituting a misdemeanor unless three (3) years have elapsed since probation or any other conditions set by the court have been fulfilled or expunction has occurred prior to the date on which the application is submitted, or may revoke a license if the licensee has been found guilty of one or more crimes of violence within the preceding three (3) years. The department shall, upon notification by a law enforcement agency or a court and subsequent written verification, suspend a license or the processing of an application for a license if the licensee or applicant is arrested or formally charged with a crime which would disqualify such person from having a license under this section, until final disposition of the case. The provisions of subsection (7) of this section shall apply to any suspension or revocation of a license pursuant to the provisions of this section.

(4) The application shall be completed, under oath, on a form promulgated by the Department of Public Safety and shall include only:

(a) The name, address, place and date of birth, race, sex and occupation of the applicant;

(b) The driver's license number or social security number of applicant;

(c) Any previous address of the applicant for the two (2) years preceding the date of the application;

(d) A full set of fingerprints of the applicant administered by the Department of Public Safety; and

(e) A waiver authorizing the Department of Public Safety access to any records concerning commitments of the applicant to any of the treatment facilities or institutions referred to in subsection (2) of this section and permitting access to all the applicant's criminal records.

(6)(a) The Department of Public Safety, upon receipt of the items listed in subsection (5) of this section, shall forward the full set of fingerprints of the applicant to the appropriate agencies for state and federal processing.

(b) The Department of Public Safety shall forward a copy of the applicant's application to the sheriff of the applicant's county of residence and, if applicable, the police chief of the applicant's municipality of residence. The sheriff of the applicant's county of residence, and, if applicable, the police chief of the applicant's municipality of residence may, at his discretion, participate in the process by submitting a voluntary report to the Department of Public Safety containing any readily discoverable prior information that he feels may be pertinent to the licensing of any applicant. The reporting shall be made within thirty (30) days after the date he receives the copy of the application. Upon receipt of a response from a sheriff or police chief, such sheriff or police chief shall be reimbursed at a rate set by the department.

(c) The Department of Public Safety shall, within forty-five (45) days after the date of receipt of the items listed in subsection (5) of this section:

(i) Issue the license;

(ii) Deny the application based solely on the ground that the applicant fails to qualify under the criteria listed in subsections (2) and (3) of this section. If the Department of Public Safety denies the application, it shall notify the applicant in writing, stating the ground for denial, and the denial shall be subject to the appeal process set forth in subsection (7); or

(iii) Notify the applicant that the department is unable to make a determination regarding the issuance or denial of a license within the forty-five-day period prescribed by this subsection, and provide an estimate of the amount of time the department will need to make the determination.

(d) In the event a legible set of fingerprints, as determined by the Department of Public Safety and the Federal Bureau of Investigation, cannot be obtained after a minimum of two (2) attempts, the Department of Public Safety shall determine eligibility based upon a name check by the Mississippi Highway Safety Patrol and a Federal Bureau of Investigation name check conducted by the Mississippi Highway Safety Patrol at the request of the Department of Public Safety.

(7)(a) If the Department of Public Safety denies the issuance of a license, or suspends or revokes a license, the party aggrieved may appeal such denial, suspension or revocation to the Commissioner of Public Safety, or his authorized agent, within thirty (30) days after the aggrieved party receives written notice of such denial, suspension or revocation. The Commissioner of Public Safety, or his duly authorized agent, shall rule upon such appeal within thirty (30) days after the appeal is filed and failure to rule within this thirty-day period shall constitute sustaining such denial, suspension or revocation. Such review shall be conducted pursuant to such reasonable rules and regulations as the Commissioner of Public Safety may adopt.

(b) If the revocation, suspension or denial of issuance is sustained by the Commissioner of Public Safety, or his duly authorized agent pursuant to paragraph (a) of this subsection, the aggrieved party may file within ten (10) days after the rendition of such decision a petition in the circuit or county court of his residence for review of such decision. A hearing for review shall be held and shall proceed before the court without a jury upon the record made at the hearing before the Commissioner of Public Safety or his duly authorized agent. No such party shall be allowed to carry a stun gun, concealed pistol or revolver pursuant to the provisions of this section while any such appeal is pending.

(8) The Department of Public Safety shall maintain an automated listing of license holders and such information shall be available online, upon request, at all times, to all law enforcement agencies through the Mississippi Crime Information Center. However, the records of the department relating to applications for licenses to carry stun guns, concealed pistols or revolvers and records relating to license holders shall be exempt from the provisions of the Mississippi Public Records Act of 1983, and shall be released only upon order of a court having proper jurisdiction over a petition for release of the record or records.

(9) Within thirty (30) days after the changing of a permanent address, or within thirty (30) days after having a license lost or destroyed, the licensee shall notify the Department of Public Safety in writing of such change or loss. Failure to notify the Department of Public Safety pursuant to the provisions of this subsection shall constitute a noncriminal violation with a penalty of Twenty-five Dollars ($25.00) and shall be enforceable by a summons.

(10) In the event that a stun gun, concealed pistol or revolver license is lost or destroyed, the person to whom the license was issued shall comply with the provisions of subsection (9) of this section and may obtain a duplicate, or substitute thereof, upon payment of Fifteen Dollars ($15.00) to the Department of Public Safety, and furnishing a notarized statement to the department that such license has been lost or destroyed.

(11) A license issued under this section shall be revoked if the licensee becomes ineligible under the criteria set forth in subsection (2) of this section.

(12)(a) Except as provided in subsection (25) of this section, no less than ninety (90) days prior to the expiration date of the license, the Department of Public Safety shall mail to each licensee a written notice of the expiration

and a renewal form prescribed by the department. The licensee must renew his license on or before the expiration date by filing with the department the renewal form, a notarized affidavit stating that the licensee remains qualified pursuant to the criteria specified in subsections (2) and (3) of this section, and a full set of fingerprints administered by the Department of Public Safety or the sheriff of the county of residence of the licensee. The first renewal may be processed by mail and the subsequent renewal must be made in person. Thereafter every other renewal may be processed by mail to assure that the applicant must appear in person every ten (10) years for the purpose of obtaining a new photograph.

(i) Except as provided in this subsection, a renewal fee of Forty Dollars ($40.00) shall also be submitted along with costs for processing the fingerprints;

(ii) Honorably retired law enforcement officers, disabled veterans, active duty members of the Armed Forces of the United States and law enforcement officers employed with a law enforcement agency of a municipality, county or state at the time of renewal, shall be exempt from the renewal fee; and

(iii) The renewal fee for a Mississippi resident aged sixty-five (65) years of age or older shall be Twenty Dollars ($20.00).

(b) The Department of Public Safety shall forward the full set of fingerprints of the applicant to the appropriate agencies for state and federal processing. The license shall be renewed upon receipt of the completed renewal application and appropriate payment of fees.

(c) A licensee who fails to file a renewal application on or before its expiration date must renew his license by paying a late fee of Fifteen Dollars ($15.00). No license shall be renewed six (6) months or more after its expiration date, and such license shall be deemed to be permanently expired. A person whose license has been permanently expired may reapply for licensure; however, an application for licensure and fees pursuant to subsection (5) of this section must be submitted, and a background investigation shall be conducted pursuant to the provisions of this section.

(13) No license issued pursuant to this section shall authorize any person, except a law enforcement officer as defined in Section 45-6-3 with a distinct license authorized by the Department of Public Safety, to carry a stun gun, concealed pistol or revolver into any place of nuisance as defined in Section 95-3-1, Mississippi Code of 1972; any police, sheriff or highway patrol station; any detention facility, prison or jail; any courthouse; any courtroom, except that nothing in this section shall preclude a judge from carrying a concealed weapon or determining who will carry a concealed weapon in his courtroom; any polling place; any meeting place of the governing body of any governmental entity; any meeting of the Legislature or a committee thereof; any school, college or professional athletic event not related to firearms; any portion of an establishment, licensed to dispense alcoholic beverages for consumption on the premises, that is primarily devoted to dispensing alcoholic beverages; any portion of an establishment in which beer, light spirit product or light wine is

In addition to the places enumerated in this subsection, the carrying of a stun gun, concealed pistol or revolver may be disallowed in any place in the discretion of the person or entity exercising control over the physical location of such place by the placing of a written notice clearly readable at a distance of not less than ten (10) feet that the "carrying of a pistol or revolver is prohibited." No license issued pursuant to this section shall authorize the participants in a parade or demonstration for which a permit is required to carry a stun gun, concealed pistol or revolver.

(14) A law enforcement officer as defined in Section 45-6-3, chiefs of police, sheriffs and persons licensed as professional bondsmen pursuant to Chapter 39, Title 83, Mississippi Code of 1972, shall be exempt from the licensing requirements of this section.

(a) The Commissioner of Public Safety shall promulgate rules and regulations to provide licenses to law enforcement officers as defined in Section 45-6-3 who choose to obtain a license under the provisions of this section, which shall include a distinction that the officer is an "active duty" law enforcement officer and an endorsement that such officer is authorized to carry in the locations listed in subsection (13). A law enforcement officer shall provide the following information to receive the license described in this subsection: (i) a letter, with the official letterhead of the agency or department for which the officer is employed at the time of application and (ii) a letter with the official letterhead of the agency or department, which explains that such officer has completed a certified law enforcement training academy.

(b) The licensing requirements of this section do not apply to the carrying by any person of a stun gun, pistol or revolver, knife, or other deadly weapon that is not concealed as defined in Section 97-37-1.

(15) Any person who knowingly submits a false answer to any question on an application for a license issued pursuant to this section, or who knowingly submits a false document when applying for a license issued pursuant to this section, shall, upon conviction, be guilty of a misdemeanor and shall be punished as provided in Section 99-19-31, Mississippi Code of 1972.

(16) All fees collected by the Department of Public Safety pursuant to this section shall be deposited into a special fund hereby created in the State Treasury and shall be used for implementation and administration of this section. After the close of each fiscal year, the balance in this fund shall be certified to the Legislature and then may be used by the Department of Public Safety as directed by the Legislature.

(17) All funds received by a sheriff or police chief pursuant to the provisions of this section shall be deposited into the general fund of the county or municipality, as appropriate, and shall be budgeted to the sheriff's office or police department as appropriate.

(18) Nothing in this section shall be construed to require or allow the registration, documentation or providing of serial numbers with regard to any stun gun or firearm.

(19) Any person holding a valid unrevoked and unexpired license to carry stun guns, concealed pistols or revolvers issued in another state shall have such license recognized by this state to carry stun guns, concealed pistols or revolvers. The Department of Public Safety is authorized to enter into a reciprocal agreement with another state if that state requires a written agreement in order to recognize licenses to carry stun guns, concealed pistols or revolvers issued by this state.

(20) The provisions of this section shall be under the supervision of the Commissioner of Public Safety. The commissioner is authorized to promulgate reasonable rules and regulations to carry out the provisions of this section.

(21) For the purposes of this section, the term "stun gun" means a portable device or weapon from which an electric current, impulse, wave or beam may be directed, which current, impulse, wave or beam is designed to incapacitate temporarily, injure, momentarily stun, knock out, cause mental disorientation or paralyze.

(22)(a) From and after January 1, 2016, the Commissioner of Public Safety shall promulgate rules and regulations which provide that licenses authorized by this section for honorably retired law enforcement officers and honorably retired correctional officers from the Mississippi Department of Corrections shall (i) include the words "retired law enforcement officer" on the front of the license, and (ii) unless the licensee chooses to have this license combined with a driver's license or identification card under subsection (25) of this section, that the license itself have a red background to distinguish it from other licenses issued under this section.

(b) An honorably retired law enforcement officer and honorably retired correctional officer shall provide the following information to receive the license described in this section: (i) a letter, with the official letterhead of the agency or department from which such officer is retiring, which explains that such officer is honorably retired, and (ii) a letter with the official letterhead of the agency or department, which explains that such officer has completed a certified law enforcement training academy.

(23) A disabled veteran who seeks to qualify for an exemption under this section shall be required to provide a veterans health services identification card issued by the United States Department of Veterans Affairs indicating a service-connected disability, which shall be sufficient proof of such service-connected disability.

(24) A license under this section is not required for a loaded or unloaded pistol or revolver to be carried upon the person in a sheath, belt holster or shoulder holster or in a purse, handbag, satchel, other similar bag or briefcase

or fully enclosed case if the person is not engaged in criminal activity other than a misdemeanor traffic offense, is not otherwise prohibited from possessing a pistol or revolver under state or federal law, and is not in a location prohibited under subsection (13) of this section.

(25) An applicant for a license under this section shall have the option of, instead of being issued a separate card for the license, having the license appear as a notation on the individual's driver's license or identification card. If the applicant chooses this option, the license issued under this section shall have the same expiration date as the driver's license or identification card, and renewal shall take place at the same time and place as renewal of the driver's license or identification card. The Commissioner of Public Safety shall have the authority to promulgate rules and regulations which may be necessary to ensure the effectiveness of the concurrent application and renewal processes.

Sec.
45-9-171. Mississippi Church Protection Act; security program requirements.

§ 45-9-171. Mississippi Church Protection Act; security program requirements.

(1) This section shall be known and may be cited as the "Mississippi Church Protection Act."

(2)(a) The governing body of any church or place of worship may establish a security program by which designated members are authorized to carry firearms for the protection of the congregation of the church or place of worship, including resisting any unlawful attempt to commit a violent felony listed in Section 97-3-2(1) upon a member or other attendee in the church or place of worship or on the immediate premises thereof. A church or place of worship may establish a security program that meets the requirements of subsection (2)(b) of this section, and a member of the security program shall be immune from civil liability for any action taken by a member of the security program if the action in question occurs during the reasonable exercise of and within the course and scope of the member's official duties as

a member of the security program for the church or place of worship. For purposes of this section, "church" or "place of worship" means only a bona fide duly constituted religious society, ecclesiastical body, or any congregation thereof.

(b) In order to be eligible for the immunity provided in this section:

(i) The program at a minimum must require that each member of the program possesses a firearms license issued under Section 45-9-101 and has completed an instructional course in the safe handling and use of firearms as described in Section 97-37-7, or a law enforcement officer as defined in Section 45-6-3, or is a qualified retired law enforcement officer as defined in 18 U.S.C. (ii) The qualified retired law enforcement officers as defined in 18 U.S.C. Section 926C(c) or the Mississippi firearm license numbers of the members who are designated by the church or place of worship to serve in the security program must be spread upon the minutes of the body or otherwise noted in writing at the time of the member's designation if the body does not maintain minutes, and this written record must be made available to law enforcement upon request during the course of an investigation after any incident in which the member used a firearm while acting as a member of the security program; and

(iii) The member of the program who is claiming immunity under the provisions of this section must have met the requirements of this paragraph (b).

(3) A person who is indicted or charged with a violation of criminal law while acting as a member of a security program of a church or place of worship may assert as a defense, in addition to any other defense available, that at the time of the action in question, the person was a member of a church body or place of worship security program, was then actually engaged in the performance of the person's duties as a member of the program, and had met the requirements of this section at the time of the action in question.

§ 45-11-7. State fire academy; executive director; division of fire services development; defrayal of agency expenses by appropriation from General Fund; deposit of monies into State General Fund; designation as authorized training program; authorization to provide initial and national continued competency program training.

(1) There is hereby created a State Fire Academy for the training and education of persons engaged in municipal, county and industrial fire protection. The Commissioner of Insurance shall appoint an Executive Director of

the State Fire Academy who, along with his employees, shall be designated as a division of the Insurance Department. The executive director shall serve at the pleasure of the Commissioner of Insurance. The State Fire Academy shall be under the supervision and direction of the Executive Director of the State Fire Academy. State Fire Academy training programs for fire personnel shall be conducted at the academy with seminars to be conducted in other sections of the state as and when the State Fire Academy Advisory Board considers it necessary and advisable.

The Commissioner of Insurance may establish and charge reasonable fees for the training programs and other services provided by the academy. A record of all funds received pursuant to this paragraph shall be maintained as is required for other monies pursuant to Section 45-11-5.

The Executive Director of the State Fire Academy is authorized and empowered to purchase, operate and maintain mobile firefighting equipment as he may find necessary and proper for the operation of the academy subject to approval of the Commissioner of Insurance. The equipment may be utilized wherever training sessions may be held at the discretion of the State Fire Academy Advisory Board.

(2) The Commissioner of Insurance shall be authorized to undertake appropriate action to accomplish and fulfill the purposes of the State Fire Academy, including the hiring of instructors and personnel, the lease and purchase of appropriate training equipment and to lease, purchase or construct suitable premises and quarters for conducting annual school and seminars, as the State Fire Academy Advisory Board may deem necessary and required for such purposes. Any contract entered into under and by virtue of the provisions of this section shall first be submitted to and approved by the Public Procurement Review Board, and construction pursuant to the contract shall be under the supervision of the Governor's Office of General Services.

(3) Vouchers for operating expense for the State Fire Academy shall be signed by the Executive Director of the State Fire Academy and payment thereof shall be made from such funds to be derived from a special allocation from the State Fire Academy Fund as provided in Section 45-11-5.

(4) The State Fire Academy is hereby officially designated as the agency of this state to conduct training for fire personnel on a statewide basis in which members of all duly constituted fire departments may participate. This subsection shall not be construed to affect the authority of any fire department to conduct training for its own personnel.

(5) Each state agency, private agency or federal agency which provides training for the fire service shall coordinate such efforts with the State Fire Academy to prevent duplication of cost and to insure standardization of training.

(6) The State Fire Academy shall present an appropriate certificate signifying the successful completion of its prescribed courses.

(7) National firefighter standards approved by the Mississippi Fire Personnel Minimum Standards and Certification Board shall be used as the basis for classroom instruction at the fire academy.

(8) The Commissioner of Insurance, Executive Director of the State Fire Academy, and the Mississippi Fire Personnel Minimum Standards and Certification Board shall coordinate all state programs related to fire department operations.

(9) The Commissioner of Insurance is hereby authorized and empowered to establish standard guidelines for the use of, and accountability for, municipal and county fire protection funds distributed pursuant to the provisions of Sections 83-1-37 and 83-1-39, Mississippi Code of 1972. Such guidelines shall include requirements for the establishment of record keeping and reports to the Commissioner of Insurance by municipalities and counties relating to the receipt and expenditure of fire protection funds, the training of fire department personnel and the submission to the Commissioner of Insurance of other data reasonably related to local fire protection responsibilities which the Commissioner of Insurance deems necessary for the performance of the duties of the State Fire Academy Advisory Board.

The division shall be staffed by a Fire Services Development Coordinator, appointed by the executive director of the academy from his current staff and by such other personnel as deemed by the Commissioner of Insurance. The division shall work with municipal and county fire coordinators to ensure effective implementation of guidelines established pursuant to subsection (9) of this section and shall serve in an advisory capacity for all aspects of fire service improvement. The Fire Service Coordinator shall annually notify the Department of Finance and Administration of those municipalities and counties which are not eligible to receive a portion of fire protection fund distributions because of failure to comply with requirements imposed in Sections 83-1-37 and 83-1-39 as a prerequisite to receipt of such funds.

(11) There is created in the State Treasury a separate account to be known as the "State Fire Academy Construction Fund." The State Treasurer shall transfer on July 1, 1997, the sum of Six Hundred Seventy-five Thousand Dollars ($675,000.00) and on July 1, 1998, the sum of Six Hundred Seventy-five Thousand Dollars ($675,000.00) from the State Fire Academy Fund 3502 into the separate account created in this subsection. Monies in such account shall be expended solely, upon legislative appropriations, to defray expenses related to the construction of capital improvements project known as "Fire Safety and Education Building" and parking areas at the State Fire Academy by the Bureau of Building, Grounds and Real Property Management of the Office of General Services and to pay any indebtedness incurred to accomplish such construction. Funds not used after the completion of this capital improvements project shall be transferred back into State Fund 3502.

The State Fire Academy shall be limited to a total of one hundred twenty (120) students per year for such Emergency Medical Responder, Emergency Medical Technician-Basic and Emergency Medical Technician Advanced training. The training program established by the State Fire Academy shall meet or exceed the requirements of the most current training program national standard curriculum as developed by the United States Department of Transportation, National Highway Traffic Safety Administration, and shall also meet the minimum testing and certification requirements established by the State Board of Health. Successful graduates of the State Fire Academy Emergency Medical Response and Emergency Medical Technician training shall be eligible for certification by the State Board of Health for the training level achieved, provided that their training meets or exceeds the minimum testing and certification requirements established by the State Board of Health for these respective skills, and such certification may be obtained in coordination with the State Board of Health pursuant to Chapters 59 and 60, Title 41, Mississippi Code of 1972.

JUDICIAL DECISIONS

ANALYSIS

1. Contempt.
2. Exhaustion of administrative remedies.

1. Contempt.

Circuit court properly denied a trainee's motion to cite the State Fire Academy for contempt of court because any grievance the trainee could have with his certificate was a separate administrative issue, which the Legislature expressly conferred upon the Academy, completely outside the

circuit court's order; thus, the trainee could not use his motion for contempt, based on that order, to prompt judicial review of the Academy's decision. Fillingame v. State, 187 So. 3d 155, 2015 Miss. App. LEXIS 364 (Miss. Ct. App. 2015), cert. denied, 186 So. 3d 854, 2016 Miss. LEXIS 129 (Miss. 2016).

2. Exhaustion of administrative remedies.

Dismissal of a cause of action brought by a firefighter trainee who sought certification upon the completion of a training program at a firefighter academy was appropriate because the circuit court lacked subject-matter jurisdiction in that the firefighter trainee did not exhaust the firefighter trainee's administrative remedies before seeking relief from the circuit court. Fillingame v. Miss. State Fire Acad., 217 So. 3d 686, 2016 Miss. App. LEXIS 582 (Miss. Ct. App. 2016), cert. denied, 214 So. 3d 1060, 2017 Miss. LEXIS 164 (Miss. 2017).

§ 45-11-11. State Fire Academy Workforce Program Fund created.

There is created in the State Treasury a special fund to be known as the State Fire Academy Workforce Program Fund. The fund shall consist of monies appropriated or otherwise made available by the Legislature and monies received by the State Fire Academy for workforce programs. The fund shall be expended by the State Fire Academy, upon appropriation by the Legislature, for such purposes as provided in the appropriation. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited to the credit of the fund.

(a) The definitions, rules and regulations so formulated for new construction shall be based upon and at all times follow the generally accepted nationwide engineering standards, formulae and practices established and pertaining to boiler and pressure vessel construction and safety, and the board shall at its first meeting adopt an existing published codification thereof known as the Boiler and Pressure Vessel Code of the American

(2) In case an applicant for an inspector's license fails to pass the examination, he may appeal to the merit system of the board for another examination which shall be given by the board within ninety (90) days.

(3) The record of an applicant's examination shall be accessible to the applicant and his employer.

CHAPTER 27.

MISSISSIPPI JUSTICE INFORMATION CENTER

Sec.

§ 45-27-9. Submission of data to center by criminal justice agencies; center to promptly purge records upon receipt of lawful expunction order; random review of certain agencies' or clerks' records by PEER committee; new or upgraded computerized records management systems to be formatted to Department of Justice approved format; implementation of incident-based reporting system within law enforcement agencies.

(1) All criminal justice agencies within the state shall submit to the center an arrest card that will transmit fingerprints, descriptions, photographs (when specifically requested), and other identifying data on persons who have been lawfully arrested or taken into custody in this state for all felonies and misdemeanors as described in Section 45-27-7(2)(a). It shall be the duty of all chiefs of police, sheriffs, district attorneys, courts, court clerks, judges, parole and probation officers, wardens or other persons in charge of correctional institutions in this state to furnish the center with all data required by the rules duly promulgated under the Administrative Procedures Act to carry out its responsibilities under this chapter, and the duty of courts and court clerks to submit a disposition form for every disposition. It shall be the duty of all criminal justice agencies within the state to supply the prosecutor and the proper court with the disposition form that is attached to the physical arrest card if fingerprints were taken manually or, if fingerprints were captured digitally, the disposition form generated by the electronic fingerprint device at the time of the arrest. The PEER committee may conduct random review of the records of any agency or clerks referenced in this subsection (1) to determine whether the duties of such agencies and clerks are being fulfilled in a timely manner. The PEER committee, based on its findings, if any, shall recommend measures to ensure that the duties are more effectively carried out in a timely manner.

(2) All persons in charge of law enforcement agencies shall obtain, or cause to be obtained, fingerprints according to the fingerprint system of identification established by the Director of the Federal Bureau of Investigation, full face and profile photographs (if equipment is available) and other available identifying data, of each person arrested or taken into custody for an offense of a type designated in subsection (1) of this section, of all persons arrested or taken into custody as fugitives from justice and of all unidentified human corpses in their jurisdictions, but photographs need not be taken if it is known that photographs of the type listed, taken within the previous year, are on file. Any record taken in connection with any person arrested or taken into custody and subsequently released without charge or cleared of the offense through court proceedings shall be purged from the files of the center and destroyed upon receipt by the center of a lawful expunction order. All persons in charge of law enforcement agencies shall submit to the center detailed descriptions of arrests or takings into custody which result in release without

charge or subsequent exoneration from criminal liability within twenty-four (24) hours of the release or exoneration.

(3) Fingerprints and other identifying data required to be taken under subsection (2) shall be forwarded within twenty-four (24) hours after taking for filing and classification, but the period of twenty-four (24) hours may be extended to cover any intervening holiday or weekend. Photographs taken shall be forwarded at the discretion of the agency concerned, but, if not forwarded, the fingerprint record shall be marked "Photo Available" and the photographs shall be forwarded subsequently if the center so requests.

(4) All persons in charge of law enforcement agencies shall submit to the center detailed descriptions of arrest warrants and related identifying data immediately upon determination of the fact that the warrant cannot be served for the reasons stated. If the warrant is subsequently served or withdrawn, the law enforcement agency concerned must immediately notify the center of the service or withdrawal. Also, the agency concerned must annually, no later than January 31 of each year and at other times if requested by the center, confirm all arrest warrants which continue to be outstanding. Upon receipt of a lawful expunction order, the center shall purge and destroy files of all data relating to an offense when an individual is subsequently exonerated from criminal liability of that offense. The center shall not be liable for the failure to purge, destroy or expunge any records if an agency or court fails to forward to the center proper documentation ordering the action.

(5) All persons in charge of state correctional institutions shall obtain fingerprints, according to the fingerprint system of identification established by the Director of the Federal Bureau of Investigation or as otherwise directed by the center, and full face and profile photographs of all persons received on commitment to the institutions. The prints so taken shall be forwarded to the center, together with any other identifying data requested, within ten (10) days after the arrival at the institution of the person committed. At the time of release, the institution will again obtain fingerprints, as before, and forward them to the center within ten (10) days, along with any other related information requested by the center. The institution shall notify the center immediately upon the release of the person.

(6) All persons in charge of law enforcement agencies, all court clerks, all municipal justices where they have no clerks, all justice court judges and all persons in charge of state and county probation and parole offices, shall supply the center with the information described in subsections (4) and (10) of this section on the basis of the forms and instructions for the disposition form to be supplied by the center.

(7) All persons in charge of law enforcement agencies in this state shall furnish the center with any other identifying data required in accordance with guidelines established by the center. All law enforcement agencies and correctional institutions in this state having criminal identification files shall cooperate in providing the center with copies of the items in the files which will aid in establishing the nucleus of the state criminal identification file.

(8) All law enforcement agencies within the state shall report to the center, in a manner prescribed by the center, all persons wanted by and all

vehicles and identifiable property stolen from their jurisdictions. The report shall be made as soon as is practical after the investigating department or agency either ascertains that a vehicle or identifiable property has been stolen or obtains a warrant for an individual's arrest or determines that there are reasonable grounds to believe that the individual has committed a crime. The report shall be made within a reasonable time period following the reporting department's or agency's determination that it has grounds to believe that a vehicle or property was stolen or that the wanted person should be arrested.

(9) All law enforcement agencies in the state shall immediately notify the center if at any time after making a report as required by subsection (8) of this section it is determined by the reporting department or agency that a person is no longer wanted or that a vehicle or property stolen has been recovered. Furthermore, if the agency making the apprehension or recovery is not the one which made the original report, then it shall immediately notify the originating agency of the full particulars relating to the apprehension or recovery using methods prescribed by the center.

(10) All law enforcement agencies in the state and clerks of the various courts shall promptly report to the center all instances where records of convictions of criminals are ordered expunged by courts of this state as now provided by law. The center shall promptly expunge from the files of the center and destroy all records pertaining to any convictions that are ordered expunged by the courts of this state as provided by law.

(11) The center shall not be held liable for the failure to purge, destroy or expunge records if an agency or court fails to forward to the center proper documentation ordering the action.

(12) Any criminal justice department or agency making an expenditure in excess of Five Thousand Dollars ($5,000.00) in any calendar year on software or programming upgrades concerning a computerized records management system or jail management system shall ensure that the new or upgraded system is formatted to Department of Justice approved XML format and that no impediments to data sharing with other agencies or departments exist in the software programming.

(13)(a) All law enforcement agencies within the state shall:

(i) Implement an incident-based reporting system within the agency or department that meets the reporting requirements of the National Incident-Based Reporting System (NIBRS) of the Uniform Crime Reporting Program of the Federal Bureau of Investigation;

(ii) Use the system described by subparagraph (i) to submit to the center information and statistics concerning criminal offenses committed in the jurisdiction of the local law enforcement agency, in a manner prescribed by the center; and

(iii) Report the information as soon as is practicable after the investigating agency or department ascertains that a qualifying crime has been committed in its jurisdiction, once the state-level NIBRS Repository is available.

(b) No later than July 1, 2019, the department shall submit a report to

the Legislature that identifies the number of local law enforcement agencies that have implemented the system described in this subsection (13).

§ 45-27-21. Database of all expunction and nonadjudication orders created; accessibility to database.

JUDICIAL DECISIONS

1. In general.

It was not error to permit the amendment of defendant's indictment two days before trial to allege defendant's habitual offender status because (1) the motion provided details of defendant's two prior felony convictions and sentences, so defendant was not unfairly surprised, (2) nothing supported defendant's claim that one of the convictions had been expunged, and, (3) had the conviction been expunged, the conviction could still be used to find defendant's habitual offender status. Rushing v. State, 195 So. 3d 760, 2016 Miss. LEXIS 279 (Miss. 2016).

CHAPTER 33.

REGISTRATION OF SEX OFFENDERS

Sec.

§ 45-33-21. Legislative findings and declaration of purpose.

JUDICIAL DECISIONS

1. In general.

Because a juvenile's adjudication of delinquency for the strict-liability crime of sexual battery against a victim under the age of fourteen involved the use of force, the juvenile had to register as a sex offender. The requirement to register as a sex offender did not punish the juvenile, but protected the public from repeat offenses. L.B.C. v. Forrest Cty. Youth Court, 2017 Miss. LEXIS 443 (Miss. Nov. 30, 2017).

§ 45-33-23. Definitions.

For the purposes of this chapter, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Conviction" means that, regarding the person's offense, there has been a determination or judgment of guilt as a result of a trial or the entry of a plea of guilty or nolo contendere regardless of whether adjudication is withheld. "Conviction of similar offenses" includes, but is not limited to, a conviction by a federal or military tribunal, including a court-martial conducted by the Armed Forces of the United States, a conviction for an offense committed on an Indian Reservation or other federal property, a conviction in any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, American Samoa, the Northern Marianna Islands or the United States Virgin Islands, and a conviction in a foreign country if the foreign country's judicial system is such that it satisfies minimum due process set forth in the guidelines under Section 111(5)(B) Public Law 109-248.

(b) "Department" means the Mississippi Department of Public Safety unless otherwise specified.

(c) "Jurisdiction" means any court or locality including any state court, federal court, military court, Indian tribunal or foreign court, the fifty (50) states, the District of Columbia, the Commonwealth of Puerto Rico, Guam, American Samoa, the Northern Marianna Islands or the United States Virgin Islands, and Indian tribes that elect to function as registration jurisdictions under Title 1, SORNA Section 127 of the Adam Walsh Child Safety Act.

(d) "Permanent residence" means a place where the person abides, lodges, or resides for a period of fourteen (14) or more consecutive days.

(e) "Registration" means providing information to the appropriate agency within the timeframe specified as required by this chapter.

(f) "Registration duties" means obtaining the registration information required on the form specified by the department as well as the photograph, fingerprints and biological sample of the registrant. Biological samples are

to be forwarded to the Mississippi Forensics Laboratory pursuant to Section 45-33-37; the photograph, fingerprints and other registration information are to be forwarded to the Department of Public Safety immediately.

(g) "Responsible agency" is defined as the person or government entity whose duty it is to obtain information from a criminal sex offender upon conviction and to transmit that information to the Mississippi Department of Public Safety.

(i) For a criminal sex offender being released from the custody of the Department of Corrections, the responsible agency is the Department of Corrections.

(ii) For a criminal sex offender being released from a county jail, the responsible agency is the sheriff of that county.

(iii) For a criminal sex offender being released from a municipal jail, the responsible agency is the police department of that municipality.

(iv) For a sex offender in the custody of the youth court, the responsible agency is the youth court.

(v) For a criminal sex offender who is being placed on probation, including conditional discharge or unconditional discharge, without any sentence of incarceration, the responsible agency is the sentencing court.

(vi) For an offender who has been committed to a mental institution following an acquittal by reason of insanity, the responsible agency is the facility from which the offender is released. Specifically, the director of the facility shall notify the Department of Public Safety before the offender's release.

(vii) For a criminal sex offender who is being released from a jurisdiction outside this state or who has a prior conviction in another jurisdiction and who is to reside, work or attend school in this state, the responsible agency is both the sheriff of the proposed county of residence and the department.

(h) "Sex offense" or "registrable offense" means any of the following offenses:

(i) Section 97-3-53 relating to kidnapping, if the victim was below the age of eighteen (18);

(ii) Section 97-3-65 relating to rape; however, conviction or adjudication under Section 97-3-65(1)(a) when the offender was eighteen (18) years of age or younger at the time of the alleged offense, shall not be a registrable sex offense;

(iii) Section 97-3-71 relating to rape and assault with intent to ravish;

(iv) Section 97-3-95 relating to sexual battery; however, conviction or adjudication under Section 97-3-95(1)(c) when the offender was eighteen (18) years of age or younger at the time of the alleged offense, shall not be a registrable sex offense;

(xiv) Section 97-29-61(2) relating to voyeurism when the victim is a child under sixteen (16) years of age;

(xv) Section 97-29-63 relating to filming another without permission where there is an expectation of privacy;

(xvi) Section 97-29-45(1)(a) relating to obscene electronic communication;

(xvii) Section 97-3-104 relating to the crime of sexual activity between law enforcement, correctional or custodial personnel and prisoners;

(xxiii) Any conviction of conspiracy to commit, accessory to commission, or attempt to commit any offense listed in this section;

(j) "Address" means the actual physical street address of a person's permanent or temporary residence. For a person who is homeless but is subject to registration under this chapter, the address information must provide a specific description of where the person habitually lives; the term "homeless" or similar description does not constitute an address within the contemplation of this chapter.

JUDICIAL DECISIONS

ANALYSIS

1. Registrable offense.
3. Sex offense.

1. Registrable offense.

Trial court erred by dispensing with defendant's registration requirement after defendant was convicted of engaging in sexual activity with a probationer because all convictions under Miss. Code Ann. § 97-3-104 resulted in a requirement to register as a sex offender. Miss. Dep't of Pub. Safety v. Herrington, 290 So. 3d 1247, 2020 Miss. LEXIS 38 (Miss. 2020).

Although Miss. Code Ann. § 45-33-23(h)(xvii) does not specifically include the term "probationer," it encompasses the entirety of convictions under Miss. Code Ann. § 97-3-104 as registrable offenses; the subsections under § 45-33-23(h) do not cite the exact language of the statutes that require registration as a sex offender but instead give a general description of the statutory section. Miss. Dep't of Pub. Safety v. Herrington, 290 So. 3d 1247, 2020 Miss. LEXIS 38 (Miss. 2020).

Trial court erred by dispensing with defendant's registration as a sex offender after defendant was convicted of engaging in sexual activity with a probationer because public policy supported the conclusion that defendant committed a registrable offense; public policy supports the conclusion that Miss. Code Ann. § 45-33-23(h)(xvii) encompasses offenses involving probationers because a law enforcement officer is in a unique position of power over a probationer. Miss. Dep't of Pub. Safety v. Herrington, 290 So. 3d 1247, 2020 Miss. LEXIS 38 (Miss. 2020).

Miss. Code Ann. § 45-33-23(h)(xvii) requires registration for all convictions under Miss. Code Ann. § 97-3-104; while § 45-33-23(h)(xvii) does not specifically list as a registrable-offense sexual relations involving an offender on intensive supervision, a law enforcement officer who engages in sexual relations with an offender on intensive-supervision parole also must register as a sex offender. Miss. Dep't of Pub. Safety v. Herrington, 290 So. 3d 1247, 2020 Miss. LEXIS 38 (Miss. 2020).

Language in Miss. Code Ann. § 45-33-23(h)(xvii) is sufficient to cover convictions under Miss. Code Ann. § 97-3-104 as a whole; because the subsections under § 45-33-23(h) list brief descriptions of the statutes that require sex-offender registration and do not track the full language of the statutes, § 45-33-23(h)(xvii) includes all convictions under § 97-3-104 as registrable sex offenses. Miss. Dep't of Pub. Safety v. Herrington, 290 So. 3d 1247, 2020 Miss. LEXIS 38 (Miss. 2020).

Statute and the federal statutes are not in "conflict" such that the statute violated defendant's constitutional rights; rather, the Legislature decided to expand the definitions found in the federal statutes to include, as a sex offense subject to classification and registration, the crime of kidnapping a minor under the age of sixteen, and the Legislature's expansion of the sex-offender registration laws is permissible. Thomas v. Miss. Dep't of Corr., 248 So. 3d 786, 2018 Miss. LEXIS 129 (Miss. 2018).

3. Sex offense.

Mississippi Department of Corrections requiring defendant to serve his full, fif-

teen-year sentence, consistent with the statute, imposed by the circuit court, was not an extension or increase in defendant's sentence because the denial of any reduction to his sentence was not equivalent to the Department "resentencing" him. Thomas v. Miss. Dep't of Corr., 248 So. 3d 786, 2018 Miss. LEXIS 129 (Miss. 2018).

Circuit court did not err in affirming the denial of defendant's claim that he was being improperly classified as a sex offender and was entitled to trusty time or meritorious earned time because defendant's conviction for kidnapping a minor under the age of sixteen made him ineligible for parole and ineligible for any reduction in his sentence. Thomas v. Miss. Dep't of Corr., 248 So. 3d 786, 2018 Miss. LEXIS 129 (Miss. 2018).

Sexual battery against a victim under the age of fourteen is within the definition of sex offenses. L.B.C. v. Forrest Cty. Youth Court, 2017 Miss. LEXIS 443 (Miss. Nov. 30, 2017).

Interstate removal of a child is not a sex offense and carries no mandatory sentence. Ferrell v. State, 158 So. 3d 1204, 2015 Miss. App. LEXIS 65 (Miss. Ct. App. 2015).

§ 45-33-25. Registration with Mississippi Department of Public Safety of persons convicted of or acquitted by reason of insanity of registrable offenses residing, employed or attending school in Mississippi; registration information; prohibition against registered sex offenders living within specified distance of schools, certain child care facilities or agencies or playgrounds or other recreational facilities utilized by children.

(1)(a) Any person having a permanent or temporary residence in this state or who is employed or attending school in this state who has been convicted of a registrable offense in this state or another jurisdiction or who has been acquitted by reason of insanity of a registrable offense in this state or another jurisdiction shall register with the responsible agency and the Mississippi Department of Public Safety. Registration shall not be required for an offense that is not a registrable sex offense or for an offender who is under fourteen (14) years of age. The department shall provide the initial registration information as well as every change of name, change of address, change of status at a school, or other change of information as required by the department to the sheriff of the county of the residence address of the registrant, the sheriff of the county of the employment address, and the sheriff of the county of the school address, if applicable, and any other jurisdiction of the registrant through either written notice, electronic or telephone transmissions, or online access to registration information. Further, the department shall provide this information to the Federal Bureau of Investigation. Additionally, upon notification by the registrant that he intends to reside outside the State of Mississippi, the department shall notify the appropriate state law enforcement agency of any state to which a registrant is moving or has moved.

(b) Any person having a permanent or temporary residence or who is employed or attending school in this state who has been adjudicated delinquent for a registrable sex offense listed in this paragraph that involved use of force against the victim shall register as a sex offender with the

responsible agency and shall personally appear at a facility designated by the Mississippi Department of Public Safety, or in a manner of the Department of Public Safety's choosing, including by electronic means, within three (3) business days of registering with the responsible agency:

(i) Section 97-3-71 relating to rape and assault with intent to ravish;

(ii) Section 97-3-95 relating to sexual battery;

(iii) Section 97-3-65 relating to statutory rape; or

(iv) Conspiracy to commit, accessory to the commission of, or attempt to commit any offense listed in this paragraph.

(2) Any person required to register under this chapter shall submit the following information at the time of registration:

(a) Name, including a former name which has been legally changed;

(b) Street address of all current permanent and temporary residences within state or out of state at which the sex offender resides or habitually lives, including dates of temporary lodgings. There is a presumption that a registrant owes a duty of updating registration information if:

(i) The registrant remains away from a registered address for seven (7) or more consecutive days; or

(ii) If the registrant remains at another address between the hours of 10:00 p.m. and 6:00 a.m. for more than seven (7) consecutive days;

(c) Date, place and address of employment, including as a volunteer or unpaid intern or as a transient or day laborer;

(d) Crime for which charged, arrested or convicted;

(e) Date and place of conviction, adjudication or acquittal by reason of insanity;

(f) Aliases used or nicknames, ethnic or tribal names by which commonly known;

(g) Social security number and any purported social security number or numbers;

(h) Date and place of birth and any purported date and place of birth;

(i) Age, race, sex, height, weight, hair and eye colors, and any other physical description or identifying factors;

(j) A brief description of the offense or offenses for which the registration is required;

(k) Driver's license or state or other jurisdiction identification card number, which license or card may be electronically accessed by the Department of Public Safety;

(*l*) Anticipated future residence;

(m) If the registrant's residence is a motor vehicle, trailer, mobile home or manufactured home, the registrant shall also provide vehicle identification number, license tag number, registration number and a description, including color scheme, of the motor vehicle, trailer, mobile home or manufactured home; if the registrant's place of residence is a vessel or houseboat, the registrant shall also provide the hull identification number, manufacturer's serial number, name of the vessel or houseboat, registration number and a description, including color scheme, of the vessel or houseboat,

including permanent or frequent locations where the motor vehicle, trailer, mobile home, manufactured home, vessel or houseboat is kept;

(n) Vehicle make, model, color and license tag number for all vehicles owned or operated by the sex offender, whether for work or personal use, and the permanent or frequent locations where a vehicle is kept;

(o) Offense history;

(p) Photograph;

(q) Fingerprints and palm prints;

(r) Documentation of any treatment received for any mental abnormality or personality disorder of the person;

(s) Biological sample;

(t) Name of any public or private educational institution, including any secondary school, trade or professional institution or institution of higher education at which the offender is employed, carries on a vocation (with or without compensation) or is enrolled as a student, or will be enrolled as a student, and the registrant's status;

(u) Copy of conviction or sentencing order for the sex offense for which registration is required;

(v) The offender's parole, probation or supervised release status and the existence of any outstanding arrest warrants;

(w) Every online identity, screen name or username used, registered or created by a registrant;

(x) Professional licensing information which authorizes the registrant to engage in an occupation or carry out a trade or occupation;

(y) Information from passport and immigration documents;

(z) All telephone numbers, including, but not limited to, permanent residence, temporary residence, cell phone and employment phone numbers, whether landlines or cell phones; and

(aa) Any other information deemed necessary.

(3) For purposes of this chapter, a person is considered to be residing in this state if he maintains a permanent or temporary residence as defined in Section 45-33-23, including students, temporary employees and military personnel on assignment.

(4)(a) A person required to register under this chapter shall not reside within three thousand (3,000) feet of the real property comprising a public or nonpublic elementary or secondary school, a child care facility, a residential child-caring agency, a children's group care home or any playground, ballpark or other recreational facility utilized by persons under the age of eighteen (18) years.

(b) A person residing within three thousand (3,000) feet of the real property comprising a public or nonpublic elementary or secondary school or a child care facility does not commit a violation of this subsection if any of the following apply:

(i) The person is serving a sentence at a jail, prison, juvenile facility or other correctional institution or facility.

(ii) The person is subject to an order of commitment under Title 41, Mississippi Code of 1972.

(iii) The person established the subject residence before July 1, 2006.

(iv) The school or child care facility is established within three thousand (3,000) feet of the person's residence subsequent to the date the person established residency.

(c) A person residing within three thousand (3,000) feet of the real property comprising a residential child-caring agency, a children's group care home or any playground, ballpark or other recreational facility utilized by persons under the age of eighteen (18) years does not commit a violation of this subsection if any of the following apply:

(i) The person established the subject residence before July 1, 2008.

(ii) The residential child-caring agency, children's group care home, playground, ballpark or other recreational facility utilized by persons under the age of eighteen (18) years is established within three thousand (3,000) feet of the person's residence subsequent to the date the person established residency.

(iii) The person established the subject residence between July 1, 2008, and January 1, 2014, in a location at least one thousand five hundred (1,500) feet from the residential child-caring agency, children's group care home, playground, ballpark or other recreational facility utilized by persons under the age of eighteen (18) years.

(iv) Any of the conditions described in subsection (4)(b)(i), (ii) or (vi) exist.

(5) The Department of Public Safety is required to obtain the text of the law defining the offense or offenses for which the registration is required.

Amendment Notes — The 2020 amendment, effective July 8, 2020, in (1)(b), substituted "a facility designated by the Mississippi Department of Public Safety, or in a manner of the Department of Public Safety's choosing, including by electronic means, within three (3) business days" for "a Mississippi Department of Public Safety Driver's License Station within three (3) business days."

JUDICIAL DECISIONS

3. Registrable offenses.

Because a juvenile's adjudication of delinquency for the strict-liability crime of sexual battery against a victim under the age of fourteen involved the use of force, the juvenile had to register as a sex offender. Force was presumed as a child could not consent to sexual battery by operation of law. L.B.C. v. Forrest Cty. Youth Court, 2017 Miss. LEXIS 443 (Miss. Nov. 30, 2017).

In a case in which defendant was convicted for failure to register as a sex offender, the trial court was right to exclude

a police report as hearsay but still allow a detective's testimony about the address defendant gave him. Durr v. State, 186 So. 3d 903, 2015 Miss. App. LEXIS 468 (Miss. Ct. App. 2015).

JUDICIAL DECISIONS

1. Evidence.

Trial court did not err in excluding a witness's testimony regarding defendant's ability to read and write because defendant's ex-girlfriend testified that she had witnessed defendant read and write, and the witness also testified that defendant possessed awareness that the sex-offender statute required him to notify the Department of Public Safety of a change of address; the records clerk reviewed and explained the sex-offender registration paperwork with defendant and read the forms to him. Caves v. State, 179 So. 3d 1175, 2015 Miss. App. LEXIS 312 (Miss. Ct. App.), cert. denied, 179 So. 3d 1137, 2015 Miss. LEXIS 635 (Miss. 2015).

§ 45-33-31. Reregistration.

(1)(a) Registrants who are in compliance with a program of electronic monitoring under this chapter are required to reregister annually.

(b) All other registrants are required to personally appear at a facility designated by the Department of Public Safety, or in a manner of the Department of Public Safety's choosing, including by electronic means, to register every ninety (90) days.

(2) Reregistration includes the submission of current information and photograph to the department and the verification of registration information, including the street address and telephone number of the registrant; name, street address and telephone number of the registrant's employment or status at a school, along with any other registration information that may need to be verified and the payment of any required fees.

(3) A person who fails to reregister and obtain a renewal sex offender registration card as required by this section commits a violation of this chapter. The Department of Public Safety will immediately notify any sheriff or other jurisdiction of any changes in information including residence address, employment and status at a school if that jurisdiction, county or municipality is affected by the change.

HISTORY: Laws, 2000, ch. 499, § 6; Laws, 2001, ch. 500, § 5; Laws, 2005, ch. 353, § 3; Laws, 2006, ch. 563, § 4; Laws, 2007, ch. 392, § 5; Laws, 2011, ch. 359, § 6; Laws, 2013, ch. 521, § 5, eff from and after Jan. 1, 2014; Laws, 2020, ch. 477, § 13, eff from and after passage (approved July 8, 2020).

Amendment Notes — The 2020 amendment, effective July 8, 2020, in (1)(b), substituted "a facility designated by the Department of Public Safety, or in a manner of the Department of Public Safety's choosing, including by electronic means, to reregister" for "a Department of Public Safety Driver's License Station to reregister."

§ 45-33-32. Disclosure by sex offenders volunteering for organizations serving minors under the age of 18.

(1) A person convicted of a sex offense who volunteers for an organization in which volunteers have direct, private and unsupervised contact with minors

under the age of eighteen (18) shall notify the organization of the person's conviction at the time of volunteering. Such notification must be in writing to the organization. Any organization which accepts volunteers must notify volunteers of this disclosure requirement upon application of the volunteer to serve or prior to acceptance of any of the volunteer's service, whichever occurs first.

(2) If the organization, after notification by the offender as provided in subsection (1), accepts the offender as a volunteer, the organization shall make reasonable attempts to notify the parents or guardians of any minors under the age of eighteen (18) involved in the organization of the offender's criminal record.

(3) This section applies to all registered sex offenders regardless of the date of conviction.

(4) Any person previously registered as a sex offender and who has a continuing obligation to be registered as a sex offender shall be notified of the person's duty under this section with the first reregistration form to be sent to the person after July 1, 2004.

(5) If the registered sex offender is currently volunteering for such an organization, the sex offender must resign or notify the organization immediately upon receipt of notice or be subject to the penalties of this chapter.

(6) An organization acting in good faith in making the notification to parents or guardians under this section, or who fails in good faith to make such notification, shall not be liable in any civil or criminal action as a result of the notification or failure to notify.

HISTORY: Laws, 2004, ch. 493, § 1, eff from and after July 1, 2004; Laws, 2019, ch. 405, § 2, eff from and after July 1, 2019.

Amendment Notes — The 2019 amendment inserted "under the age of eighteen (18)" in (1); in (2), substituted "shall make reasonable attempts to notify" for "must notify," and inserted "under the age of eighteen (18)"; and added (6).

§ 45-33-33. Failure to register; reregister or comply with electronic monitoring; violations of chapter; penalties and enforcement.

(1)(a) The failure of an offender to personally appear at a facility designated by the Department of Public Safety, or in a manner of the Department of Public Safety's choosing, including by electronic means, or to provide any registration or other information, including, but not limited to, initial registration, reregistration, change of address information, change of employment, change of name, required notification to a volunteer organization or any other registration duty or submission of information required by this chapter is a violation of this chapter. Additionally, forgery of information or submission of information under false pretenses, whether by the registrant or another person, is also a violation of this chapter.

(b) A person commits a violation of this chapter who:

(i) Knowingly harbors, or knowingly attempts to harbor, or knowingly assists another person in harboring or attempting to harbor a sex offender who is in violation of this chapter;

(ii) Knowingly assists a sex offender in eluding a law enforcement agency that is seeking to find the sex offender to question the sex offender about, or to arrest the sex offender for, noncompliance with the requirements of this chapter; or

(iii) Provides information to a law enforcement agency regarding a sex offender which the person knows to be false.

(c) A registrant who is required to submit to electronic monitoring who does not comply with all the terms and conditions of the electronic monitoring commits a violation of this chapter.

(2)(a) Unless otherwise specified, a violation of this chapter shall be considered a felony and shall be punishable by a fine of not more than Five Thousand Dollars ($5,000.00), imprisonment in the custody of the Department of Corrections for not more than five (5) years, or both fine and imprisonment.

(b) A person who is required to register under this chapter who is subsequently convicted for a registration violation under this section, upon release from incarceration, shall submit to mandatory electronic monitoring under the program established under Section 45-33-45 for a period computed by subtracting the time the person spent in actual incarceration from the five-year maximum imprisonment for the offense and the period of post-release monitoring shall not be suspended or reduced by the court or the Department of Corrections.

(3) Whenever it appears that an offender has failed to comply with the duty to register, reregister or submit to electronic monitoring, the department shall promptly notify the sheriff of the county of the last-known address of the offender as well as the sheriff of the county of the last-known location of the offender, if different. Upon notification, the sheriff shall attempt to locate the offender at his last-known address or last-known location.

(a) If the sheriff locates the offender, he shall enforce the provisions of this chapter, including initiation of prosecution if appropriate. The sheriff shall then notify the department with the current information regarding the offender.

(b) If the sheriff is unable to locate the offender, the sheriff shall promptly notify the department and initiate a criminal prosecution against the offender for the failure to register, reregister or comply with electronic monitoring. The sheriff shall make the appropriate transactions into the Federal Bureau of Investigation's wanted-person database and issue a warrant for the offender's arrest. The department shall notify the United States Marshals Service of the offender's noncompliant status and shall update the registry database and website to show the defendant's noncompliant status as an absconder.

(4) A violation of this chapter shall result in the arrest of the offender.

(5) Any prosecution for a violation of this section shall be brought by a prosecutor in the county of the violation.

(6) A person required to register under this chapter who commits any act or omission in violation of this chapter may be prosecuted for the act or omission in the county in which the act or omission was committed, the county of the last registered address of the sex offender, the county in which the conviction occurred for the offense or offenses that meet the criteria requiring the person to register, the county in which he was designated a sex offender, or the county in which the sex offender was found.

(7) The Commissioner of Public Safety or his authorized agent shall suspend the driver's license or driving privilege of any offender failing to comply with the duty to report, register or reregister, submit to monitoring, or who has provided false information.

(8) When a person required to register under this chapter is accused of any registration offense under this section, pretrial release on bond shall be conditioned on the offender's submission to electronic monitoring under the program established under Section 45-33-45.

Amendment Notes — The 2020 amendment, effective July 8, 2020, in (1)(a), substituted "a facility designated by the Department of Public Safety, or in a manner of the Department of Public Safety's choosing, including by electronic means, or to provide" for "a Department of Public Safety Driver's License Station or to provide"; and deleted "or" at the end of (1)(b)(i).

JUDICIAL DECISIONS

2. Substantial evidence.

Substantial evidence supported the jury's verdict finding defendant guilty of failing to register as a sex offender because the sex-offender registration forms reflected defendant initialed the forms as acknowledging that he received them; defendant's girlfriend testified that defendant could indeed read and write and that she had previously accompanied the defendant when he re-registered as a sex offender, and the records clerk testified that she read the sex-offender registration forms to him. Caves v. State, 179 So. 3d 1175, 2015 Miss. App. LEXIS 312 (Miss. Ct. App.), cert. denied, 179 So. 3d 1137, 2015 Miss. LEXIS 635 (Miss. 2015).

§ 45-33-35. Central registry of offenders; duties of agencies to provide information.

(1) The Mississippi Department of Public Safety shall maintain a central registry of sex offender information as defined in Section 45-33-25 and shall adopt rules and regulations necessary to carry out this section. The responsible agencies shall provide the information required in Section 45-33-25 on a form developed by the department to ensure accurate information is maintained.

(2) Upon conviction, adjudication or acquittal by reason of insanity of any sex offender, if the sex offender is not immediately confined or not sentenced to

a term of imprisonment, the clerk of the court which convicted and sentenced the sex offender shall inform the person of the duty to register, including the duty to personally appear at a facility designated by the Department of Public Safety, or in a manner of the Department of Public Safety's choosing, including by electronic means, and shall perform the registration duties as described in Section 45-33-23 and forward the information to the department.

(3) Before release from prison or placement on parole, supervised release or in a work center or restitution center, the Department of Corrections shall inform the person of the duty to register, including the duty to personally appear at a facility designated by the Department of Public Safety, or in a manner of the Department of Public Safety's choosing, including by electronic means, and shall perform the registration duties as described in Section 45-33-23 and forward the information to the Department of Public Safety.

(4) Before release from a community regional mental health center or from confinement in a mental institution following an acquittal by reason of insanity, the director of the facility shall inform the offender of the duty to register, including the duty to personally appear at a facility designated by the Department of Public Safety, or in a manner of the Department of Public Safety's choosing, including by electronic means, and shall perform the registration duties as described in Section 45-33-23 and forward the information to the Department of Public Safety.

(5) Before release from a youthful offender facility, the director of the facility shall inform the person of the duty to register, including the duty to personally appear at a facility designated by the Department of Public Safety, or in a manner of the Department of Public Safety's choosing, including by electronic means, and shall perform the registration duties as described in Section 45-33-23 and forward the information to the Department of Public Safety.

(6) In addition to performing the registration duties, the responsible agency shall:

(a) Inform the person having a duty to register that:

(i) The person is required to personally appear at a facility designated by the Department of Public Safety, or in a manner of the Department of Public Safety's choosing, including by electronic means, at least ten (10) days before changing address.

(ii) Any change of address to another jurisdiction shall be reported to the department by personally appearing at a facility designated by the Department of Public Safety, or in a manner of the Department of Public Safety's choosing, including by electronic means, not less than ten (10) days before the change of address. The offender shall comply with any registration requirement in the new jurisdiction.

(iii) The person must register in any jurisdiction where the person is employed, carries on a vocation, is stationed in the military or is a student.

(iv) Address verifications shall be made by personally appearing at a facility designated by the Department of Public Safety, or in a manner of the Department of Public Safety's choosing, including by electronic means, within the required time period.

(v) Notification or verification of a change in status of a registrant's enrollment, employment or vocation at any public or private educational institution, including any secondary school, trade or professional institution, or institution of higher education shall be reported to the department by personally appearing at a facility designated by the Department of Public Safety, or in a manner of the Department of Public Safety's choosing, including by electronic means, within three (3) business days of the change.

(vi) If the person has been convicted of a sex offense, the person shall notify any organization for which the person volunteers in which volunteers have direct, private or unsupervised contact with minors that the person has been convicted of a sex offense as provided in Section 45-33-32(1).

Amendment Notes — The 2020 amendment, effective July 8, 2020, in (2) through (5) and (6)(a)(i), (ii), (iv), (v), and (vii), substituted "a facility designated by the Department of Public Safety, or in a manner of the Department of Public Safety's

choosing, including by electronic means" for "a Department of Public Safety Driver's License Station."

§ 45-33-43. Written notification to applicants for certain driver's licenses; written acknowledgment by applicant of receipt of notification.

At the time a person surrenders a driver's license from another jurisdiction or makes an application for a driver's license, temporary driving permit, commercial driver's license or identification card issued under Section 45-35-3, the department shall provide the applicant with written information on the registration requirements of this chapter and shall require written acknowledgment by the applicant of receipt of the notification.

HISTORY: Laws, 2000, ch. 499, § 12; Laws, 2007, ch. 392, § 10, eff from and after July 1, 2007; Laws, 2021, ch. 414, § 1, eff from and after passage (approved April 5, 2021); Laws, 2021, ch. 464, § 7, eff from and after passage (approved April 16, 2021).

Joint Legislative Committee Note — Section 1 of Chapter 414, Laws of 2021, effective upon passage (approved April 5, 2021), amended this section. Section 7 of Chapter 464, Laws of 2021, effective upon passage (approved April 16, 2021) also amended this section. As set out above, this section reflects the language of Section 7 of Chapter 464, which contains language that specifically provides that it supersedes § 45-33-43 as amended by Chapter 414, Laws of 2021.

Amendment Notes — The first 2021 amendment (ch. 414), effective April 5, 2021, deleted "intermediate license" following "temporary driving permit."

The second 2021 amendment (ch. 464), effective April 16, 2021, deleted "intermediate license" following "temporary driving permit."

§ 45-33-47. Petition for relief from duty to register; grounds; minimum period of continuing registration based on three-tier classification of offenses; certain offenders subject to lifetime registration; certain offenders subject to electronic monitoring.

JUDICIAL DECISIONS

4. Lifetime registration.

Circuit court properly denied defendant's petition for relief from the duty to register as a sex offender because the issues of the State's purported duty to notify and laches were procedurally barred from consideration inasmuch as defendant did not raise them in the circuit court, and, while sexual battery of a child under 12 years old was a "tier three" offense, defendant was subject to lifetime registration since he was at least 21 years old. Roberts v. State, 281 So. 3d 1066, 2019 Miss. App. LEXIS 239 (Miss. Ct. App. 2019).

§ 45-33-55. Exemptions for expunction.

JUDICIAL DECISIONS

1. Expungement of conviction.

Given its plain language, Miss. Code Ann. § 45-33-55 exempts sex offenses from Mississippi laws allowing expungement and Mississippi orders granting expungement to the extent such information is authorized for dissemination under the Mississippi Sex Offenders Registration Law. Thus, despite appellant's expungement of her misdemeanor sex offense, appellant still had a duty to register under the Sex Offenders Registration Law. Ferguson v. Miss. Dep't of Pub. Safety, 278 So. 3d 1155, 2019 Miss. LEXIS 344 (Miss. 2019).

Miss. Code Ann. § 45-33-55's exemption for sex offenses from orders of expungement applies to orders of expungement granted under Mississippi law. To the extent that Stallworth v. State, 160 So. 3d 1161 (Miss. 2015), held otherwise, it is overruled. Ferguson v. Miss. Dep't of Pub. Safety, 278 So. 3d 1155, 2019 Miss. LEXIS 344 (Miss. 2019).

§ 45-33-59. Sex offenders employed in positions with direct, private and unsupervised contact with minors under the age of 18 required to notify employers in writing of sex offender status; notification to parents or guardians; applicability of section.

(1)(a) Any person convicted of a sex offense who is employed in any position, or who contracts with a person to provide personal services, where the employee or contractor will have direct, private and unsupervised contact with minors under the age of eighteen (18) shall notify in writing the employer or the person with whom the person has contracted or is employed of his sex offender status.

(b) The employer shall make a reasonable attempt to notify the parents or guardians of any minors under the age of eighteen (18) with whom the employee or contractor will have direct, private and unsupervised contact of the offender's criminal record.

(2) This section applies to all registered sex offenders regardless of the date of conviction.

(3) An employer acting in good faith in making notification to parents or guardians under this section, or who fails in good faith to make notification, shall not be liable in any civil or criminal action as a result of the notification or failure to notify.

(4) This section does not authorize the employment of a person for a position for which employment of a sex offender is prohibited by any law.

(5) This section does not apply to an employer whose employees have only incidental contact with children because children may be present in the workplace without any formal agreement; casual or incidental contact does not trigger the duty to inform.

HISTORY: Laws, 2006, ch. 566, § 7; Laws, 2007, ch. 392, § 13, eff from and after July 1, 2007; Laws, 2019, ch. 405, § 1, eff from and after July 1, 2019.

Amendment Notes — The 2019 amendment rewrote former (1), which read: "Any

person convicted of a sex offense who is employed in any position, or who contracts with a person to provide personal services, where the employment position or personal services contract will bring the person into close regular contact with children shall notify in writing the employer or the person with whom the person has contracted of his sex offender status" and redesignated it (1)(a); added (1)(b); and added (3) through (5).

§ 45-33-63. Carly's Law; certain future contact by registered sex offender with victim of the registerable offense prohibited; exception; penalties.

(1) Except as otherwise provided in this section, it is unlawful for a person required to register as a sex offender under Section 45-33-25 to do or commit any of the following actions with respect to the victim of the offense triggering the duty to register under this chapter:

(a) Threaten, visit, assault, molest, abuse, injure, or otherwise interfere with the victim;

(b) Follow the victim, including at the victim's workplace;

(c) Harass the victim;

(d) Contact the victim by telephone, written communication, or electronic means;

(e) Enter or remain present at the victim's residence, school, or place of employment when the victim is present.

(2) This section does not apply if the court in which the conviction was had, at the request of the victim or the parent, guardian or conservator of the victim, enters an order allowing contact with the victim. The court may enter such an order if the court determines that reasonable grounds for the victim to fear any future contact with the defendant no longer exist.

(3) A violation of this section is a felony punishable by a fine of not more than Five Thousand Dollars ($5,000.00) and imprisonment in the custody of the Department of Corrections for not less than five (5) nor more than ten (10) years.

(4) A law enforcement officer shall arrest and take into custody a person, with or without a warrant or other process, if the officer has probable cause to believe that the person knowingly has violated this section.

(5) Nothing in this section shall be construed to affect the issuance or enforcement of a criminal sexual assault protection against a defendant who has been convicted under Section 97-3-65 or 97-3-95.

(6) This section shall be known as Carly's Law.

HISTORY: Laws, 2020, ch. 446, § 1, eff from and after July 1, 2020.

§ 47-1-27. Maltreatment forbidden.

JUDICIAL DECISIONS

1. In general.

Trial judge did not err or abuse his discretion by denying defendant's motions for judgment notwithstanding the verdict and for a new trial because the evidence was sufficient for the jury to have found she made a deliberate decision not to provide sufficient medical attention to a prisoner, and her decision demonstrated a conscious disregard of a life-threatening risk; defendant knew the prisoner exhibited symptoms of a life-threatening condition and failed to send him to a medical provider. Brannan v. State, 319 So. 3d 1119, 2020 Miss. App. LEXIS 593 (Miss. Ct. App. 2020), cert. denied, — So. 3d —, 2021 Miss. LEXIS 172 (Miss. 2021).

Because the indictment tracked the language of the manslaughter statute and the maltreatment statute, it was sufficient to put defendant on notice of the charges against her; the indictment's use of the common term "misdemeanor manslaughter" did not render it defective, and the indictment specifically identified not only the underlying misdemeanor (maltreatment) but also the type of maltreatment (failure to provide sufficient medical attention). Brannan v. State, 319 So. 3d 1119, 2020 Miss. App. LEXIS 593 (Miss.

Ct. App. 2020), cert. denied, — So. 3d —, 2021 Miss. LEXIS 172 (Miss. 2021).

Maltreatment statute was not vague or unconstitutional as applied to defendant because a nurse of ordinary intelligence would be able to read it and understand it; defendant was the only registered nurse at a correctional facility and the highest medical authority present during a prisoner's incarceration, and she decided not to have him taken to a hospital or a doctor and took it upon herself to diagnose him. Brannan v. State, 319 So. 3d 1119, 2020 Miss. App. LEXIS 593 (Miss. Ct. App. 2020), cert. denied, — So. 3d —, 2021 Miss. LEXIS 172 (Miss. 2021).

Statute does not implicate any constitutional right, as there is no constitutionally protected interest in withholding medical attention from prisoners. Brannan v. State, 319 So. 3d 1119, 2020 Miss. App. LEXIS 593 (Miss. Ct. App. 2020), cert. denied, — So. 3d —, 2021 Miss. LEXIS 172 (Miss. 2021).

(k) The Oversight Task Force may employ consultants to assist in the evaluations and, when necessary, the implementation of the recommendations of the Corrections and Criminal Justice Task Force report of December 2013;

(*l*) The Oversight Task Force is encouraged to apply for and may expend grants, gifts, or federal funds it receives from other sources to carry out its duties and responsibilities.

Joint Legislative Committee Note — Pursuant to Section 1-1-109, the Joint Legislative Committee on Compilation, Revision and Publication of Legislation corrected an error in an internal statutory reference in subsection (2)(m) by substituting "pursuant to this paragraph (m)" for "pursuant to this paragraph (*l*)." The Joint Committee ratified the correction at its October 19, 2020, meeting.

This file shall be placed in and shall constitute a part of the inmate's master file. The Deputy Commissioner for Community Corrections shall furnish this file to the State Parole Board when the file is needed in the course of its official duties. He shall possess either: (i) a master's degree in counseling, corrections psychology, guidance, social work, criminal justice or some related field and at least four (4) years' full-time experience in such field, including at least one (1) year of supervisory experience; or (ii) a bachelor's degree in a field described in subparagraph (i) of this paragraph and at least six (6) years' full-time work in corrections, one (1) year of which shall have been at the supervisory level.

He shall possess either: (i) a master's degree in counseling, criminal justice, psychology, guidance, social work, business or some related field, and at least four (4) years' full-time experience in corrections, including at least one (1) year of correctional management experience; or (ii) a bachelor's degree in a field described in subparagraph (i) of this paragraph and at least six (6) years' full-time work in corrections, four (4) years of which shall have been at the correctional management level.

(d) A Deputy Commissioner for Programs, Education, Re-entry, and Vocational Rehabilitation Services who shall initiate and administer programs, including but not limited to, education services, religious services,

moral rehabilitation, alcohol and drug rehabilitation, and court re-entry. The Deputy Commissioner for Programs, Education, Re-entry, and Vocational Rehabilitation may coordinate with any educational institution to develop a program for moral rehabilitation with an emphasis on promoting effective programs for release. The Deputy Commissioner for Programs, Education, Re-entry, and Vocational Rehabilitation shall focus on re-entry programs aimed at reducing recidivism and adequately preparing offenders for employment upon their release. The programs shall incorporate a moral component focused on providing offenders with an opportunity to make positive changes while incarcerated that will enable them to be productive members of society upon their release. Such deputy commissioner shall possess either:

(i) A master's degree in counseling, corrections, psychology, guidance, social work, criminal justice or some related field and at least four (4) years' full-time experience in such field, including at least one (1) year of supervisory experience; or

(ii) A bachelor's degree in a field described in subparagraph (i) of this paragraph and at least six (6) years full-time work in corrections, one (1) year of which shall have been at the supervisory level.

Out of the deputy commissioners employed under this subsection (1), as set out in paragraphs (a) through (d), the commissioner shall designate one (1) of the commissioners as an executive deputy commissioner who shall have the duties prescribed under Section 47-5-8.

(2) The commissioner shall employ an administrative assistant for parole matters who shall be selected by the State Parole Board who shall be an employee of the department assigned to the State Parole Board and who shall be located at the office of the State Parole Board, and who shall work under the guidance, supervision and direction of the board.

(3) The administrative assistant for parole matters shall receive an annual salary to be established by the Legislature. The salaries of department employees not established by the Legislature shall receive an annual salary established by the State Personnel Board.

(4) The commissioner shall employ a superintendent for the Parchman facility, Central Mississippi Correctional Facility and South Mississippi Correctional Institution of the Department of Corrections. The Superintendent of the Mississippi State Penitentiary shall reside on the grounds of the Parchman facility. Each superintendent shall appoint an officer in charge when he is absent.

Each superintendent shall develop and implement a plan for the prevention and control of an inmate riot and shall file a report with the Chairman of the Senate Corrections Committee and the Chairman of the House Penitentiary Committee on the first day of each regular session of the Legislature regarding the status of the plan.

In order that the grievances and complaints of inmates, employees and visitors at each facility may be heard in a timely and orderly manner, each superintendent shall appoint or designate an employee at the facility to hear

grievances and complaints and to report grievances and complaints to the superintendent. Each superintendent shall institute procedures as are necessary to provide confidentiality to those who file grievances and complaints.

(5) For a one-year period beginning July 1, 2016, any person authorized for employment under this section shall not be subject to the rules, regulations and procedures of the State Personnel Board, except as otherwise provided under Section 25-9-127(5).

The commissioner shall have the following powers and duties:

(a) To implement and administer laws and policy relating to corrections and coordinate the efforts of the department with those of the federal government and other state departments and agencies, county governments, municipal governments, and private agencies concerned with providing offender services;

(b) To establish standards, in cooperation with other state agencies having responsibility as provided by law, provide technical assistance, and exercise the requisite supervision as it relates to correctional programs over all state-supported adult correctional facilities and community-based programs;

(c) To promulgate and publish such rules, regulations and policies of the department as are needed for the efficient government and maintenance of all facilities and programs in accord insofar as possible with currently accepted standards of adult offender care and treatment;

(d) To provide the Parole Board with suitable and sufficient office space and support resources and staff necessary to conducting Parole Board business under the guidance of the Chairman of the Parole Board;

(e) To contract for transitional reentry center beds that will be used as noncorrections housing for offenders released from the department on parole, probation or post-release supervision but do not have appropriate housing available upon release. At least one hundred (100) but no more than

eight hundred (800) transitional reentry center beds contracted by the department and chosen by the Parole Board shall be available for the Parole Board to place parolees without appropriate housing;

(f) To designate deputy commissioners while performing their officially assigned duties relating to the custody, control, transportation, recapture or arrest of any offender within the jurisdiction of the department or any offender of any jail, penitentiary, public workhouse or overnight lockup of the state or any political subdivision thereof not within the jurisdiction of the department, to the status of peace officers anywhere in the state in any matter relating to the custody, control, transportation or recapture of such offender, and shall have the status of law enforcement officers and peace officers as contemplated by Sections 45-6-3, 97-3-7 and 97-3-19.

For the purpose of administration and enforcement of this chapter, deputy commissioners of the Mississippi Department of Corrections, who are certified by the Mississippi Board on Law Enforcement Officer Standards and Training, have the powers of a law enforcement officer of this state. Such powers shall include to make arrests and to serve and execute search warrants and other valid legal process anywhere within the State of Mississippi while performing their officially assigned duties relating to the custody, control, transportation, recapture or arrest of any offender within the jurisdiction of the department or any offender of any jail, penitentiary, public workhouse or overnight lockup of the state or any political subdivision thereof not within the jurisdiction of the department in any matter relating to the custody, control, transportation or recapture of such offender.

(g) To make an annual report to the Governor and the Legislature reflecting the activities of the department and make recommendations for improvement of the services to be performed by the department;

(h) To cooperate fully with periodic independent internal investigations of the department and to file the report with the Governor and the Legislature;

(i) To make personnel actions for a period of one (1) year beginning July 1, 2016, that are exempt from State Personnel Board rules, regulations and procedures in order to give the commissioner flexibility in making an orderly, effective and timely reorganization and realignment of the department; and

(j) To perform such other duties necessary to effectively and efficiently carry out the purposes of the department as may be directed by the Governor.

§ 47-5-76. Payment of court costs for inmate's civil action against Department employee pertaining to condition of confinement.

JUDICIAL DECISIONS

1. In general.

Because an inmate's complaint—regarding the alleged confiscation of the inmate's personal property during the inmate's confinement in lock-down—was frivolous and because the inmate should not have been allowed to file the complaint as an in forma pauperis litigant due to the inmate's prior frivolous filings, it was appropriate to assess costs of the inmate's appeal to the inmate to be withdrawn from the inmate's prison account. Duncan v. Bonner, 304 So. 3d 679, 2020 Miss. App. LEXIS 315 (Miss. Ct. App. 2020).

Inmate may be granted in forma pauperis (IFP) status on appeal under the statute; the language referencing appeals in the 1998 and 2005 amendments allows a trial court to grant an inmate IFP status on appeal. Willis v. Westley, 287 So. 3d 1050, 2019 Miss. App. LEXIS 611 (Miss. Ct. App. 2019).

Statute's language provided the trial court with authority to allow an inmate to proceed in forma pauperis (IFP) on appeal because the inmate filed his action against Mississippi Department of Corrections employees under § 47-5-76(1), challenging a condition of confinement. Willis v. Westley, 287 So. 3d 1050, 2019 Miss. App. LEXIS 611 (Miss. Ct. App. 2019).

It was appropriate to assess costs of an appeal to an inmate, despite his in forma pauperis status, as the Mississippi Department of Corrections was entitled to withdraw funds from the inmate's account until all fees and costs of his appeal were repaid. Willis v. Westley, 287 So. 3d 1050, 2019 Miss. App. LEXIS 611 (Miss. Ct. App. 2019).

§ 47-5-105. Entry of bids, bills, and invoices in minutes before award or payment; copies to be sent.

The award of all contracts within the purview of the Department of Finance and Administration under Section 27-104-7 in excess of Five Hundred Thousand Dollars ($500,000.00) entered into by the commissioner shall be approved by the Public Procurement Review Board and shall be entered on the minutes of such board before any funds shall be expended therefor. Provided further, that the entrance of the award of contracts on the minutes of the Public Procurement Review Board shall contain a detailed accounting of all bids entered showing clearly the lowest bid and best bid that was awarded in each and every case and, if the bid accepted is not the lowest, then the reasons and justification for not accepting the lowest bid shall be spread on the minutes. A true copy of the minutes of each meeting of the Public Procurement Review Board shall be sent monthly to the Governor, members of the Legislative Budget Office and Chairmen of the Corrections Committees of the Senate and the House of Representatives.

JUDICIAL DECISIONS

4. Early release.

Defendant's sentence did not exceed the statutory maximum because the order only sent her to a restitution center if she was released on Earned Release Supervision or some other form of early release, and if she were released on Earned Release Supervision, any remaining time she served in a restitution center cannot exceed her statutory maximum sentence under state law. Stevens v. State, 294 So. 3d 699, 2020 Miss. App. LEXIS 128 (Miss. Ct. App. 2020).

§ 47-5-138.1. Trusties authorized to accumulate additional earned time; certain offenders in trusty status ineligible for time allowance.

JUDICIAL DECISIONS

1. In general; construction.

Circuit court erred in denying defendant's motion for post-conviction relief because his plea was not knowingly, intelligently, and voluntarily made as a result of the erroneous advice given to him by his appointed trial counsel—that a sentence for second-degree murder would be eligible for trusty-earned time—the judge did not discuss or mention defendant's eligibility of trusty-earned time or that any term of incarceration would be served day for day during the plea colloquy, and the plea petition did not contradict in any shape or form defendant's erroneous expectation about trusty-earned time, parole, or early release. Ulmer v. State, 292 So. 3d 611, 2020 Miss. App. LEXIS 85 (Miss. Ct. App. 2020).

Because appellant's argument that his sentence should be reduced or his probation modified under Miss. Code Ann. § 47-5-138.1 was raised for the first time on appeal, it was procedurally barred, and appellant failed to implicate a fundamental constitutional right to except his argument from the procedural bar, therefore the trial court properly dismissed appellant's motion for postconviction relief. Monroe v. State, 203 So. 3d 1140, 2016 Miss. App. LEXIS 675 (Miss. Ct. App. 2016).

Inmate's trusty-time credit was properly revoked because (1) anyone convicted of a sex offense was not eligible for such time, and (2) the inmate had been convicted of sexual battery, conspiracy to commit sexual battery, and contributing to the delinquency of a minor who was sexually abused. King v. McCarty, 196 So. 3d 175, 2016 Miss. App. LEXIS 405 (Miss. Ct. App. 2016).

1. In general; construction.

A prisoner may not earn good time during service of a mandatory portion of his period of confinement and later use that good time earned upon expiration of the mandatory portion of his sentence. Wilson v. Puckett, 721 So. 2d 1110, 1998 Miss. LEXIS 434 (Miss. 1998).

7. Miscellaneous.

Inmate's claim of ineffective assistance lacked merit, as the inmate's claims that he would not have entered his guilty plea for fondling if his attorney had not misrepresented his eligibility for parole was contradicted by the fact that, at the plea hearing, he indicated he had not been promised anything in order to make him enter his guilty plea and was aware of the maximum sentence that could have been imposed. Brown v. State, 187 So. 3d 667, 2016 Miss. App. LEXIS 132 (Miss. Ct. App. 2016).

§ 47-5-157. Written discharge or release, clothing, Mississippi driver's license, provisional license, or state identification card, money and bus ticket furnished to discharged or released offender.

(1) When an offender is entitled to a discharge from the custody of the department, or is released therefrom on parole, pardon, or otherwise, the commissioner or his designee shall prepare and deliver to him a written discharge or release, as the case may be, dated and signed by him with seal annexed, giving the offender's name, the name of the offense or offenses for which he was convicted, the term of sentence imposed and the date thereof, the county in which he was sentenced, the amount of commutation received, if any, the trade he has learned, if any, his proficiency in same, and such description of the offender as may be practicable and the discharge plan developed as required by law. At least fifteen (15) days prior to the release of an offender as described herein, the director of records of the department shall give the written notice which is required pursuant to Section 47-5-177.

(2) The offender shall be furnished:

(a) A Mississippi driver's license, if eligible;

(b) A provisional license under Section 63-1-305; or

(c) A state identification card that is not a department-issued identification card.

The offender shall also be furnished all money held to his credit by any official of the correctional system and, if needed, suitable civilian clothes.

(3) The amount of money which an offender is entitled to receive from the State of Mississippi when he is discharged from the state correctional system shall be determined as follows:

(a) If he has continuously served his sentence in one (1) year or less flat time, he shall be given Fifteen Dollars ($15.00).

(b) If he has served his sentence in more than one (1) year flat time and in less than ten (10) years flat time, he shall be given Twenty-five Dollars ($25.00).

(c) If he has continuously served his sentence in ten (10) or more years flat time, he shall be given Seventy-five Dollars ($75.00).

(d) If he has continuously served his sentence in twenty (20) or more years flat time, he shall be given One Hundred Dollars ($100.00).

(e) There shall be given in addition to the above specified monies in paragraphs (a), (b), (c) and (d) of this subsection, a bus ticket to the county of conviction or to a state line of Mississippi.

§ 47-5-193. Prohibitions generally; circuit court authorized to order disabling of contraband cell phone service from carrier.

(1) It is unlawful for any officer or employee of the department, of any county sheriff's department, of any private correctional facility in this state in which offenders are confined, of any municipal or other correctional facility in this state, or for any other person or offender to possess, furnish, attempt to furnish, or assist in furnishing to any offender confined in this state any weapon, deadly weapon, unauthorized electronic device, contraband item, or cell phone or any of its components or accessories to include, but not limited to, Subscriber Information Module (SIM) cards or chargers. It is unlawful for any

person or offender to take, attempt to take, or assist in taking any weapon, deadly weapon, unauthorized electronic device, contraband item, cell phone or any of its components or accessories to include, but not limited to, Subscriber Information Module (SIM) cards or chargers on property within the state belonging to the department, a county, a municipality, or other entity that is occupied or used by offenders, except as authorized by law.

(2) The circuit court is authorized to issue an order to disable the contraband cell phone service from the carrier.

JUDICIAL DECISIONS

ANALYSIS

1. Evidence.

2. — Sufficient.

Defendant was properly convicted of possession of contraband (a cell phone) in a correctional facility because the digital evidence on the cell phone was properly authenticated by the testimony of the manager of the laboratory's intelligence and cellular telephone units, and the messages and photographs were sufficient to link defendant to dominion and control of the cell phone, and defendant's trial counsel could not be found deficient for not objecting to the evidence. Willis v. State, 309 So. 3d 1125, 2020 Miss. App. LEXIS 625 (Miss. Ct. App. 2020).

Assuming that the State of Mississippi was required to prove that defendant was an inmate of a county jail, the evidence supported defendant's conviction for unauthorized possession of a cell phone in a county jail because, although the booking process had not been completed, defendant was in a locked area, dressed in a jail uniform, and was not free to leave. When defendant put defendant's belongings on a counter, the cell phone, among other items, fell out of a rolled up mat that the jail had provided to defendant. Smith v. State, 275 So. 3d 100, 2019 Miss. App. LEXIS 238 (Miss. Ct. App. 2019).

3.5. Presumptive instructions.

Trial court erred in convicting defendant of possessing a cell phone in a correctional facility because the jury was wrongly instructed that they could convict defendant if the state proved defendant took the cell phone into the correctional facility; transporting contraband and possessing contraband are distinctly different. Instructing the jury as to persons taking cell phones into correctional facilities did not track the language of the applicable statute and improperly shifted the burden of proving the defendant was not in constructive possession of the cell phone to the defendant. Moody v. State, 202 So. 3d 1235, 2016 Miss. LEXIS 447 (Miss. 2016).

8. Burden of proof.

Defendant was indicted and convicted under the first sentence of the statute, for possession of a cell phone in a correctional facility. Therefore, the State of Mississippi was not required to prove that the county jail was property belonging to the county and that the property was occupied or used by offenders because these elements

were not essential to the possession of a cell phone crime charged under the first sentence. Smith v. State, 275 So. 3d 100, 2019 Miss. App. LEXIS 238 (Miss. Ct. App. 2019).

State of Mississippi was not required to prove that defendant was an inmate at the county jail because this factual allegation did not change the crime charged as all that the statute required was that defendant be either a person or offender in possession of a cell phone at a correctional facility. Smith v. State, 275 So. 3d 100, 2019 Miss. App. LEXIS 238 (Miss. Ct. App. 2019).

§ 47-5-198. Sale, possession, or use of controlled substances or narcotic drugs within facilities; knowledge by employees; punishment for violations.

JUDICIAL DECISIONS

ANALYSIS

3. Sufficient evidence.
4. Indictment.
5. Sentence.

3. Sufficient evidence.

Trial court did not err by denying defendant's motions for a directed verdict, JNOV, or a new trial, as the evidence showed that defendant told the warden that the pills hidden inside the waistband of her pants were controlled substances. Warren v. State, 187 So. 3d 616, 2016 Miss. LEXIS 137 (Miss. 2016).

Evidence supported defendant's conviction of conspiracy to possess a controlled substance inside a correctional facility because (1) an officer observed defendant and another inmate stand by the exterior door to a jail's yard, bend down, and retrieve items from underneath the door; [2] an officer found a small opening that could allow someone to slip an item through the door; and (3) officers found marijuana in envelopes in a blanket that defendant tried to pass to the other inmate when the inmates were searched as they reentered the jail. Graham v. State, 204 So. 3d 329, 2016 Miss. App. LEXIS 113 (Miss. Ct. App. 2016).

4. Indictment.

Indictment, which tracked the language of this section, was sufficient, and, because neither the crime nor the penalty depended upon the identity of the controlled substance, the indictment for possession of a controlled substance in a correctional facility did not need to identify the substance allegedly possessed. Warren v. State, 187 So. 3d 616, 2016 Miss. LEXIS 137 (Miss. 2016).

Although defendant asserted that the indictment was fatally defective for failure to specify the contraband that defendant conspired to possess in a correctional facility, the two count indictment included the essential statutory elements of the charges against defendant and provided sufficient notice so that defendant suffered no prejudice in preparing a defense. Furthermore, defendant was procedurally barred from arguing an objection to a multi-count indictment on appeal because defendant failed to raise the objection at trial. Graham v. State, 204 So. 3d 329, 2016 Miss. App. LEXIS 113 (Miss. Ct. App. 2016).

Trial court erred in denying defendant's motion to dismiss due to a defective indictment where the indictment failed to specify the nature of the controlled substance that defendant was alleged to have possessed in violation of Miss. Code Ann. § 47-5-198, and the State's failure to include the identity of the controlled substance prevented defendant from preparing a defense that her possession of the controlled substance was lawful. Warren v. State, 187 So. 3d 631, 2015 Miss. App. LEXIS 40 (Miss. Ct. App. 2015), rev'd, 187 So. 3d 616, 2016 Miss. LEXIS 137 (Miss. 2016).

Although Mississippi caselaw on the issue of whether an indictment sufficiently specifies the nature of the controlled substance primarily addresses pos-

session and trafficking of controlled substances pursuant to Miss. Code Ann. § 41-29-139 (Supp. 2014), the Court of Appeals of Mississippi sees no reason why this same reasoning should not extend to possession of a controlled substance in a correctional facility pursuant to Miss. Code Ann. § 47-5-198. Warren v. State, 187 So. 3d 631, 2015 Miss. App. LEXIS 40 (Miss. Ct. App. 2015), rev'd, 187 So. 3d 616, 2016 Miss. LEXIS 137 (Miss. 2016).

5. Sentence.

Appellant's post-conviction relief motion was not excepted from the procedural time-bar because even if his sentence for possession of a controlled substance in a correctional facility was "illegal" in any way, he failed to demonstrate that his fundamental rights were violated by the circuit court's imposition of that sentence; given the sentence's more lenient terms, appellant did not suffer any fundamental unfairness from the illegal sentence, nor were his fundamental rights violated. Hunt v. State, 312 So. 3d 1233, 2021 Miss. App. LEXIS 104 (Miss. Ct. App. 2021).

Appellant's post-conviction relief motion was not excepted from the procedural time-bar because his sentence for possession of a controlled substance while incarcerated was plainly more lenient than what a legal sentence would have been, and thus, any purported error on the circuit court's part in imposing appellant's sentence was harmless. Hunt v. State, 312 So. 3d 1233, 2021 Miss. App. LEXIS 104 (Miss. Ct. App. 2021).

Appellant's post-conviction relief motion was not excepted from the procedural time-bar because his ineffective assistance of counsel claim on the ground that counsel failed to object to his sentence was without merit; appellant was not prejudiced by the circuit court's imposing a more lenient sentence for his conviction for possession of a controlled substance while incarcerated, and appellant's ineffective assistance of counsel allegations were supported only by his own affidavit. Hunt v. State, 312 So. 3d 1233, 2021 Miss. App. LEXIS 104 (Miss. Ct. App. 2021).

Appellant's post-conviction relief motion was not excepted from the procedural time-bar because even if his sentence for possession of a controlled substance in a correctional facility was "illegal" in any way, he failed to demonstrate that his fundamental rights were violated by the circuit court's imposition of that sentence; given the sentence's more lenient terms, appellant did not suffer any fundamental unfairness from the illegal sentence, nor were his fundamental rights violated. Hunt v. State, 312 So. 3d 1233, 2021 Miss. App. LEXIS 104 (Miss. Ct. App. 2021).

Appellant's post-conviction relief motion was not excepted from the procedural time-bar because his sentence for possession of a controlled substance while incarcerated was plainly more lenient than what a legal sentence would have been, and thus, any purported error on the circuit court's part in imposing appellant's sentence was harmless. Hunt v. State, 312 So. 3d 1233, 2021 Miss. App. LEXIS 104 (Miss. Ct. App. 2021).

Appellant's post-conviction relief motion was not excepted from the procedural time-bar because his Appellant's ineffective assistance of counsel claim on the ground that counsel failed to object to his sentence was without merit; appellant was not prejudiced by the circuit court's imposing a more lenient sentence for his conviction for possession of a controlled substance while incarcerated, and appellant's ineffective assistance of counsel allegations were supported only by his own affidavit. No offender shall be eligible for this program if he has more than one (1) year remaining on their sentence.

"(4) The sheriff shall adopt and publish rules and regulations prior to accepting inmates. These rules and regulations shall at a minimum include all requirements for work release programs established pursuant to Sections 47-5-451 through 72 47-5-471. Participating employers shall pay no less than the prevailing wage for the position and shall under no circumstance pay less than the federal minimum wage.

"(5) Any offender assigned to such a program by the sheriff who, without proper authority or just cause, leaves the area to which he has been assigned to work or attend educational or other rehabilitative programs, or leaves the vehicle or route of travel involved in his or her going to or returning from such place, will be guilty of escape as provided in Section 97-9-49. An offender who is found guilty under this section shall be ineligible for further participation in a work release program during his or her current

term of confinement.

"(6) The offender shall maintain an account through a local financial institution and shall provide a copy of a check stub to the sheriff. The offender may be required to pay up to twenty-five percent (25%) of his wages after mandatory deductions for the following purposes:

"(a) To pay support of dependents or to the Mississippi Department of Human Services on behalf of dependents as may be ordered by a judge of competent jurisdiction; and

"(b) To pay any fines, restitution, or costs as ordered by the court to include any fines and fees associated with obtaining a valid driver's license upon release.

"(7) The inmate shall have access to his account to purchase incidental expenses.

"(8) The Joint Legislative Committee on Performance Evaluation and Expenditure Review (PEER) shall conduct a review of the work release program established under this act and produce a report to the Legislature on their effectiveness by December 1, 2022. The PEER Committee shall seek the assistance of the Corrections and Criminal Justice Task Force and may seek assistance from any other criminal justice experts it deems necessary during its review.

"(9) This section shall stand repealed on July 1, 2022."

§ 47-5-471 Department of Corrections to make available to requesting counties eligible inmates for participation in state-county work program; counties responsible for transportation and expenses related to housing and caring for inmates.

Upon the request of any county for eligible inmates, the Department of Corrections shall make available for participation in the state-county work program in the requesting county any eligible inmates. Upon request and approval of such request by the Department of Corrections, the requesting county shall arrange for transportation of such inmates from the Department of Corrections to such county. Upon receiving any inmates, the county shall be responsible for all expenses related to housing and caring for such inmates but shall be reimbursed by the Department of Corrections at the rate prescribed under Section 47-5-901(2). Regardless of any eligibility criteria established by the Department of Corrections, no inmate convicted of a sex crime, a crime of violence as defined by Section 97-3-2, or any other crime which specifically prohibits parole shall be eligible for participation in the program. The requesting county may, in its sole discretion, refuse any inmate deemed to present an undue risk to such county.

ADMINISTRATIVE REVIEW PROCEDURE

§ 47-5-801. Authority to adopt administrative review procedure.

JUDICIAL DECISIONS

1. Administrative review procedures.

Inmate's statutory due-process rights were not violated because the inmate did not present any evidence to refute the finding of the Mississippi Department of Corrections that he made a threatening statement to another inmate, and the inmate was present at the hearing, acknowledged the allegations, and admitted the rule violation; the inmate did not request the presence of witnesses or ask to present evidence prior to his disciplinary hearing. State v. Stafford, 237 So. 3d 1280, 2018 Miss. App. LEXIS 74 (Miss. Ct. App. 2018).

Remanding to the circuit court for further review would serve no purpose and would be judicially inefficient since an inmate's claim that he was denied statutory due process had no realistic chance of success; the inmate did not request or retain counsel, nor did he request that witnesses or evidence be presented at his disciplinary hearing, and the inmate admitted that he made a threatening statement to another inmate. State v. Stafford,

237 So. 3d 1280, 2018 Miss. App. LEXIS 74 (Miss. Ct. App. 2018).

§ 47-5-803. Procedure constitutes administrative remedies available to offenders for purpose of preserving cause of action against state.

JUDICIAL DECISIONS

1. In general.

Circuit court erred in dismissing an inmate's complaint for judicial review of a loss of privileges due to a rule violation report because the inmate exhausted his administrative remedies and sought judicial review within thirty days of receipt of the final decision of the Mississippi Department of Corrections; although the circuit court was presented with an incomplete record due to the inmate's failure to file certain documentation, such failure did not preclude reversal. Willis v. Westley, 243 So. 3d 805, 2018 Miss. App. LEXIS 171 (Miss. Ct. App. 2018), overruled in part, Jobe v. State, 288 So. 3d 403, 2019 Miss. App. LEXIS 612 (Miss. Ct. App. 2019).

Parole eligibility did not clearly fall under the purview of administrative-review procedure. Therefore, the appellate court, in determining whether the Mississippi Department of Corrections correctly computed the date of an inmate's parole eligibility, followed the rule that inmates could, but were not required to, use the administrative-review procedure as a way of challenging parole eligibility. Brown v. State, 230 So. 3d 1069, 2017 Miss. App. LEXIS 156 (Miss. Ct. App. 2017).

§ 47-5-807. Judicial review of agency decision.

JUDICIAL DECISIONS

ANALYSIS

2. Time for filing.
3. Right to judicial review.
4. Mailbox rule.
5. Appeal dismissed.
6. Service of process.

2. Time for filing.

When an inmate contested the Mississippi Department of Corrections' (MDOC) revocation of most of inmate's accrued trusty-time credit, the inmate's complaint was properly dismissed because (1) the complaint had to be filed within 30 days of MDOC's decision, and, (2) while MDOC did not prove it was filed more than 30 days after receiving MDOC's decision dismissing the inmate's administrative complaint contesting revocation of trusty-time credit, the record showed the inmate did not contest the original decision revoking trusty-time credit within 30 days. King v. McCarty, 196 So. 3d 175, 2016 Miss. App. LEXIS 405 (Miss. Ct. App. 2016).

3. Right to judicial review.

Circuit court erred in dismissing an inmate's complaint for judicial review of a loss of privileges due to a rule violation report because the inmate exhausted his administrative remedies and sought judicial review within thirty days of receipt of the final decision of the Mississippi Department of Corrections; although the circuit court was presented with an incomplete record due to the inmate's failure to file certain documentation, such failure did not preclude reversal. Willis v. Westley, 243 So. 3d 805, 2018 Miss. App. LEXIS 171 (Miss. Ct. App. 2018), overruled in part, Jobe v. State, 288 So. 3d 403, 2019 Miss. App. LEXIS 612 (Miss. Ct. App. 2019).

4. Mailbox rule.

Inmate sought his judicial review within the thirty days required by the statute, and the circuit court had jurisdiction to consider it, because the inmate dropped his motion for judicial review in

the prison mailbox within the thirty-day appeal deadline. Jobe v. State, 288 So. 3d 403, 2019 Miss. App. LEXIS 612 (Miss. Ct. App. 2019).

5. Appeal dismissed.

Because an inmate had been released on parole since the filing of his appeal of an order requiring Rule Violation Reports (RVRs) be expunged from his prison record, the issues were moot, and his appeal was dismissed; review of the circuit court's finding on whether substantial evidence existed to support the inmate's two individual RVRs, which only subjected the inmate to reclassification and loss of privileges, was not a matter of "public interest." State v. Runnels, 281 So. 3d 148, 2019 Miss. App. LEXIS 76 (Miss. Ct. App. 2019)

Because an inmate had been released on parole since the filing of his appeal of an order requiring Rule Violation Reports (RVRs) be expunged from his prison record, the issues were moot, and his appeal was dismissed; the inmate completed his punishment and fully litigated the issuance of the RVRs, and thus, there was no reasonable expectation that he could be subject to the same action RVR in the future. State v. Runnels, 281 So. 3d 148, 2019 Miss. App. LEXIS 76 (Miss. Ct. App. 2019).

6. Service of process.

Inmate's petition for review was governed by Miss. Unif. Cir. & Cty. R. 5.04 and not Miss. R. Civ. P. 4 because the petition for Administrative Remedy Program review was not a "regular civil filing" that required service of process under the rules of civil procedure; no service of process was required, and thus, the circuit court had personal jurisdiction over the Mississippi Department of Corrections to hear the inmate's petition for review of his request for treatment. Jobe v. State, 288 So. 3d 403, 2019 Miss. App. LEXIS 612 (Miss. Ct. App. 2019).

STATE OFFENDERS SERVING SENTENCES IN COUNTY JAILS

Sec.

§ 47-5-901. Service of sentence in county jail if space unavailable in state facility or upon request of sheriff or president of board of supervisors; reimbursement of costs; governmental liability [Repealed effective July 1, 2024].

(1)(a) Any person committed, sentenced or otherwise placed under the custody of the Department of Corrections, on order of the sentencing court and subject to the other conditions of this subsection, may serve all or any part of his sentence in the county jail of the county wherein such person was convicted if the Commissioner of Corrections determines that physical space is not available for confinement of such person in the state correctional institutions. Such determination shall be promptly made by the Department of Corrections upon receipt of notice of the conviction of such person. The commissioner shall certify in writing that space is not available to the sheriff

or other officer having custody of the person. Any person serving his sentence in a county jail shall be classified in accordance with Section 47-5-905.

(b) Any person committed, sentenced or otherwise placed under the custody of the Department of Corrections, on order of the sentencing court and subject to the other conditions of this subsection, may serve all or any part of his or her sentence in the county jail of the county wherein such person was convicted if the sheriff or president of the board of supervisors, requests such inmate or inmates. Upon such request, the department may allow such inmate or inmates to serve all or any part of such inmate's or inmates' sentence(s), as the case may be, in the county of conviction of the inmate or inmates. Such determination shall be promptly made by the Department of Corrections upon receipt of notice of the conviction of such person. Whenever a request is denied for an inmate or inmates, then the commissioner shall certify in writing to the sentencing court, sheriff, or president of the board of supervisors of a county, as the case may be, that such inmate or inmates does not qualify to serve the sentence or sentences in the county jail. Any person serving his sentence in a county jail shall be classified in accordance with Section 47-5-905.

(2) If state prisoners are housed in county jails due to a lack of capacity at state correctional institutions, the Department of Corrections shall determine the cost for food and medical attention for such prisoners. The cost of feeding and housing offenders confined in such county jails shall be based on actual costs or contract price per prisoner. In order to maximize the potential use of county jail space, the Department of Corrections is encouraged to negotiate a reasonable per day cost per prisoner, which in no event may exceed Twenty Dollars ($20.00) per day per offender.

(3)(a) Upon vouchers submitted by the board of supervisors of any county housing persons due to lack of space at state institutions, the Department of Corrections shall pay to such county, out of any available funds, the actual cost of food, or contract price per prisoner, not to exceed Twenty Dollars ($20.00) per day per offender, as determined under subsection (2) of this section for each day an offender is so confined beginning the day that the Department of Corrections receives a certified copy of the sentencing order and will terminate on the date on which the offender is released or otherwise removed from the custody of the county jail. The department, or its contracted medical provider, will pay to a provider of a medical service for any and all incarcerated persons from a correctional or detention facility an amount based upon negotiated fees as agreed to by the medical care service providers and the department and/or its contracted medical provider. In the absence of negotiated discounted fee schedule, medical care service providers will be paid by the department, or its contracted medical service provider, an amount no greater than the reimbursement rate applicable based on the Mississippi Medicaid reimbursement rate. The board of supervisors of any county shall not be liable for any cost associated with medical attention for prisoners who are pretrial detainees or for prisoners who have been convicted that exceeds the Mississippi Medicaid reimbursement rate or the

reimbursement provided by the Department of Corrections, whichever is greater. This limitation applies to all medical care services, durable and nondurable goods, prescription drugs and medications. Such payment shall be placed in the county general fund and shall be expended only for food and medical attention for such persons.

(b) Upon vouchers submitted by the board of supervisors of any county housing offenders in county jails pending a probation or parole revocation hearing, the department shall pay the reimbursement costs provided in paragraph (a).

(c) If the probation or parole of an offender is revoked, the additional cost of housing the offender pending the revocation hearing shall be assessed as part of the offender's court cost and shall be remitted to the department.

(4) A person, on order of the sentencing court, may serve not more than twenty-four (24) months of his sentence in a county jail if the person is classified in accordance with Section 47-5-905 and the county jail is an approved county jail for housing state inmates under federal court order. The sheriff of the county shall have the right to petition the Commissioner of Corrections to remove the inmate from the county jail. The county shall be reimbursed in accordance with subsection (2) of this section.

(5) The Attorney General of the State of Mississippi shall defend the employees of the Department of Corrections and officials and employees of political subdivisions against any action brought by any person who was committed to a county jail under the provisions of this section.

(6) This section does not create in the Department of Corrections, or its employees or agents, any new liability, express or implied, nor shall it create in the Department of Corrections any administrative authority or responsibility for the construction, funding, administration or operation of county or other local jails or other places of confinement which are not staffed and operated on a full-time basis by the Department of Corrections. The correctional system under the jurisdiction of the Department of Corrections shall include only those facilities fully staffed by the Department of Corrections and operated by it on a full-time basis.

(7) An offender returned to a county for post-conviction proceedings shall be subject to the provisions of Section 99-19-42 and the county shall not receive the per-day allotment for such offender after the time prescribed for returning the offender to the Department of Corrections as provided in Section 99-19-42.

§ 47-5-1501. Title.

Sections 47-5-1501 through 47-5-1517 may be cited as the "Dignity for Incarcerated Women Act."

HISTORY: Laws, 2021, ch. 440, § 1, eff from and after July 1, 2021.

§ 47-5-1503. Legislative findings and purpose.

The Legislature of the State of Mississippi finds that:

(a) The number of incarcerated women in the State of Mississippi has increased by a third (1/3) since 2001 and at one point in 2008 the rate had grown by forty-four percent (44%);

(b) Nationally, the number of children under age eighteen (18) with a mother in prison more than doubled since 1991;

(c) Children who grow up with parents in prison are six (6) to seven (7) times more likely to become incarcerated themselves;

(d) Prisoners who maintain close contact with their family members while incarcerated have better post-release outcomes and lower recidivism rates;

(e) Children of inmates who are able to visit their imprisoned parents have increased cognitive skills, improved academic self-esteem, greater self-control and change schools much less often;

(f) To mitigate the collateral impact on families and children, the Department of Corrections should consider the location of family;

(g) Nationally, approximately two thousand (2,000) women give birth while incarcerated each year;

(h) Prenatal care significantly improves outcomes for pregnant women and infants;

(i) Participation in post-delivery mother-infant residency or nursery programs is associated with lower recidivism rates, reduced risk of babies entering foster care, and improved odds that mothers and their babies will remain together after the mother's period of incarceration;

(j) Use of restrictive housing and restraints on incarcerated pregnant women may be extremely dangerous to the health of mothers, fetuses and infants; and

(k) Nationally, eighty-six percent (86%) of women in prison were victims of sexual assault prior to entering the prison system.

Editor's Notes — Laws of 2021, ch. 479, § 1, provides:

"SECTION 1. This act shall be known and may be cited as the 'Mississippi Earned Parole Eligibility Act.'"

Amendment Notes — The 2018 amendment, in (1)(f), inserted the exception in the third sentence and inserted "including an offender who receives an enhanced penalty under the provisions of Section 41-29-147 for such possession" in the fourth sentence; substituted "paragraph (a) of this subsection" for "paragraph (1)(a) of this section" in (1)(g)(iii); and added (1)(h).

The 2020 amendment, in (1), in (f), inserted "this" in the first sentence, in (g)(ii), substituted "this subparagraph (ii) of this paragraph (g)" for "this paragraph of this subsection," and in (g)(iii), added "or if that senior circuit judge...may hear and decide the matter" at the end.

The 2021 amendment rewrote the section to revise the conditions for parole eligibility and to provide limitations on inmate eligibility to petition the sentencing court for parole eligibility if the inmate is serving a sentence for a crime of violence or nonviolence.

JUDICIAL DECISIONS

ANALYSIS

2. Constitutionality.

Circuit judge's decision to sentence a juvenile offender to life imprisonment without eligibility for parole was neither arbitrary, nor an abuse of discretion because, at the hearing required by the case law, the judge, although the judge did not specifically discuss on the record each and every factor mentioned in the case law for the sentencing of a juvenile offender, expressly stated that the judge had considered each of the factors mentioned in the case law for the sentencing. Jones v. State, 285 So. 3d 626, 2017 Miss. App. LEXIS 684 (Miss. Ct. App. 2017), cert. dismissed, 2018 Miss. LEXIS 463 (Miss. Nov. 27, 2018), aff'd, — U.S. —, 141 S. Ct. 1307, 209 L. Ed. 2d 390, 2021 U.S. LEXIS 2110 (U.S. 2021).

4. Eligibility for earned good time.

A prisoner was not permitted to earn good time credit during service of the mandatory portion of his period of confinement and then use that good time earned upon expiration of the mandatory portion of the sentence. Williams v. Puckett, 624 So. 2d 496, 1993 Miss. LEXIS 420 (Miss. 1993).

5. Change in law, regulation, or interpretation; ex post facto effect.

There was no merit to defendant's argument that the trial court applied an ex post facto law because the trial court erroneously stated that Miss. Code Ann. § 47-7-3(1)(g)(i) was enacted in 2016, but it actually went into effect on July 1, 2014, the date defendant pleaded guilty. Hardison v. State, 317 So. 3d 978, 2021 Miss. App. LEXIS 180 (Miss. Ct. App. 2021).

Even though the court found that defendant was not parole eligible because he was convicted of two crimes of violence under Miss. Code Ann. § 97-3-2(1), the State conceded that defense counsel's advice regarding parole eligibility was erroneous, as counsel stated at the plea hearing that defendant would be eligible for early release if he met certain other criteria during his incarceration, and therefore the court remanded the case to the trial court for an evidentiary hearing on the voluntariness of defendant's guilty plea. Hardison v. State, 317 So. 3d 978, 2021 Miss. App. LEXIS 180 (Miss. Ct. App. 2021).

There was no merit to defendant's argument that the trial court applied an ex post facto law because the trial court erroneously stated that Miss. Code Ann. § 47-7-3(1)(g)(i) was enacted in 2016, but it actually went into effect on July 1, 2014, the date defendant pleaded guilty. Hardison v. State, 317 So. 3d 978, 2021 Miss. App. LEXIS 180 (Miss. Ct. App. 2021).

Even though the court found that defendant was not parole eligible because he was convicted of two crimes of violence

under Miss. Code Ann. § 97-3-2(1), the State conceded that defense counsel's advice regarding parole eligibility was erroneous, as counsel stated at the plea hearing that defendant would be eligible for early release if he met certain other criteria during his incarceration, and therefore the court remanded the case to the trial court for an evidentiary hearing on the voluntariness of defendant's guilty plea. Hardison v. State, 317 So. 3d 978, 2021 Miss. App. LEXIS 180 (Miss. Ct. App. 2021).

After finding that defendant's death sentence was unconstitutional, applying a sentence of life without parole violated the prohibition against ex post facto laws because, when defendant was sentenced, a life sentence carried parole eligibility after 10 years, and a sentence of life without parole obviously constricted defendant's opportunity to earn early release, and rendered the punishment for his crime more onerous than when he committed the crime; and applying the 1994 amendments to crimes committed prior to them clearly changed and increased the punishment attached to defendant's crime by adding life without eligibility for parole as an option. Blue v. State, 303 So. 3d 714, 2020 Miss. LEXIS 369 (Miss. 2020).

8. Miscellaneous.

Circuit court applied the correct legal standard and appropriately considered all of the Miller v. Alabama factors, and defendant juvenile's sentence of life without parole for murder was affirmed; substantial evidence supported the circuit court's findings, including that the crime was jointly planned and executed and there did not appear to be any coercion or peer pressure involved. While defendant made a number of efforts to rehabilitate himself while incarcerated, the circuit court found there was not enough evidence to support a weighing in favor of parole. Dotson v. State, — So. 3d —, 2021 Miss. App. LEXIS 73 (Miss. Ct. App. Feb. 23, 2021).

Circuit court correctly determined that defendant was ineligible for parole because the Mississippi Supreme Court clearly resolved the exact issue presented on appeal in Fogleman v. State, 283 So. 3d 685 (Miss. 2019), defendant pled guilty to attempted murder, which was listed as a crime of violence, and whether the decision in Fogleman should be overruled was a decision reserved solely for the Supreme Court. Gava-Hudson v. State, 316 So. 3d 641, 2021 Miss. App. LEXIS 39 (Miss. Ct. App. 2021).

Appellant failed to state a claim upon which the circuit court could assert jurisdiction because his case was not one of unlawful revocation of parole; appellant was never released on parole because the Mississippi Parole Board changed its decision and denied him parole. Cook v. State, 282 So. 3d 760, 2019 Miss. App. LEXIS 404 (Miss. Ct. App. 2019).

Trial court did not err by sentencing defendant to life without eligibility for parole because he was only 70 days short of his 18th birthday when he shot the victim, prior to the shooting he had already compiled an extensive youth court record, the threats defendant made to the victim prior to the shooting displayed premeditation, the victim was unarmed and attempting to run away when defendant shot him, and his youth court record failed to provide any positive factors or substantial hope of retaliation. Bass v. State, 273 So. 3d 768, 2018 Miss. App. LEXIS 631 (Miss. Ct. App. 2018), cert. denied, 272 So. 3d 130, 2019 Miss. LEXIS 238 (Miss. 2019).

Circuit judge erred in classifying defendant's offense as a "crime of violence" because the judge's finding that defendant used, attempted to use, or threatened to use physical force increased the minimum sentence that he had to serve and indisputably altered the prescribed range of sentences to which he was exposed, it eliminated defendant's eligibility for parole and made him ineligible for any type of early release until he had served at least half of his sentence, aggravated the punishment based on judicial fact-finding and Miss. Code Ann. § 97-3-2(2) violated defendant's rights under the Sixth and Fourteenth Amendments to the extent that it permitted the circuit judge to find that an unlisted felony was a "crime of violence." Fogleman v. State, 276 So. 3d 1213, 2018 Miss. App. LEXIS 460 (Miss. Ct. App. 2018), rev'd, 283 So. 3d 685, 2019 Miss. LEXIS 303 (Miss. 2019).

Relinquishment of the right to seek a conditional release from imprisonment that would emanate from the sentence for conviction of a charge that the defendant could have been convicted of, but was not, is not one of those constitutional rights that he is giving up, as a defendant has no constitutional right to seek a conditional release from any imprisonment, even when the imprisonment stems from a sentence received as a result of a conviction by a jury or by a plea of guilty. Ware v. State, 258 So. 3d 315, 2018 Miss. App. LEXIS 420 (Miss. Ct. App. 2018).

9. Ineffective assistance of counsel.

Circuit court properly denied appellant's motion for post-conviction relief because cited no authority to support his argument that it constituted ineffective assistance of counsel for defense counsel to give appellant erroneous advice regarding, or not to inform him of, any potential conditional release he could or could not receive if he were convicted of the greater offense with which he was charged. Ware v. State, 258 So. 3d 315, 2018 Miss. App. LEXIS 420 (Miss. Ct. App. 2018).

Circuit court properly denied appellant's motion for post-conviction relief because he was not affirmatively misinformed regarding his parole eligibility, and thus, his guilty plea was not entered into voluntarily, intelligently, and knowingly. Ware v. State, 258 So. 3d 315, 2018 Miss. App. LEXIS 420 (Miss. Ct. App. 2018).

Since a defendant's attorney would not be required to advise the defendant of any potential conditional release from imprisonment if the defendant went to trial and was convicted of the charged offense, it seems quite logical that the defense counsel would not be required to give such advice when the defendant pleads guilty not to the offense charged, but to a lesser offense that happens to be included in the charged offense. Ware v. State, 258 So. 3d 315, 2018 Miss. App. LEXIS 420 (Miss. Ct. App. 2018).

Only information provided in appellant's mother's affidavit regarding what appellant's attorney said to appellant about his parole eligibility came from appellant himself; thus, the circuit court, which dismissed appellant's motion for post-conviction relief, did not err in its determination that appellant's mother had no firsthand knowledge of any statements made by appellant's attorney concerning the length of time appellant would have to serve. Moore v. State, 248 So. 3d 845, 2017 Miss. App. LEXIS 671 (Miss. Ct. App. 2017), cert. denied, 247 So. 3d 1264, 2018 Miss. LEXIS 311 (Miss. 2018).

10. Sex offenders.

Mississippi Department of Corrections requiring defendant to serve his full, fifteen-year sentence, consistent with the statute, imposed by the circuit court, was not an extension or increase in defendant's sentence because the denial of any reduction to his sentence was not equivalent the Department "resentencing" him. Thomas v. Miss. Dep't of Corr., 248 So. 3d 786, 2018 Miss. LEXIS 129 (Miss. 2018).

Circuit court did not err in affirming the denial of defendant's claim that he was being improperly classified as a sex offender and was entitled to trusty time or meritorious earned time because defendant's conviction for kidnapping a minor under the age of sixteen made him ineligible for parole and ineligible for any reduction in his sentence. Thomas v. Miss. Dep't of Corr., 248 So. 3d 786, 2018 Miss. LEXIS 129 (Miss. 2018).

11. Resentencing.

It was not an abuse of discretion to resentence defendant, who was a juvenile when committing a homicide, to life without parole because the judge (1) appointed counsel, authorized funds for a mitigation specialist, and ordered a psychological assessment, and, (2) after conducting an evidentiary hearing at which the judge considered the Miller factors, substantial evidence supported the judge's findings that defendant was not entitled to a lesser sentence. Wells v. State, — So. 3d —, 2020 Miss. App. LEXIS 58 (Miss. Ct. App. Feb. 25, 2020).

Juvenile's sentence of life without parole after a Miller resentencing was not an abuse of discretion because the court considered characteristics and circumstances unique to juveniles, as Miller required, and, having satisfied the court's Miller

obligation, did not abuse the court's discretion in denying relief from a previously imposed sentence of life without parole. Wharton v. State, 298 So. 3d 921, 2019 Miss. LEXIS 407 (Miss. 2019).

Force the number of parole hearings held, the number of prisoners released to parole without a hearing and the number of parolees released after a hearing.

(9) If the Department of Corrections fails to adequately provide opportunity and access for the completion of such case plans, the Department of Corrections shall, to the extent possible, contract with regional jail facilities that offer educational development and job-training programs to facilitate the fulfillment of the case plans of parole-eligible inmates.

§ 47-7-17. Examination of offender's record; eligibility for parole.

(1) Within one (1) year after his admission and at such intervals thereafter as it may determine, the board shall secure and consider all pertinent information regarding each offender, except any under sentence of death or otherwise ineligible for parole, including the circumstances of his offense, his previous social history, his previous criminal record, including any records of law enforcement agencies or of a youth court regarding that offender's juvenile criminal history, his conduct, employment and attitude while in the custody of the department, the case plan created to prepare the offender for parole, and the reports of such physical and mental examinations as have been made. The board shall furnish at least three (3) months' written notice to each such offender of the date on which he is eligible for parole.

(2) Except as provided in Section 47-7-18, the board shall require a parole-eligible offender to have a hearing as required in this chapter before the board and to be interviewed. The hearing shall be held no later than thirty (30) days prior to the month of eligibility. No application for parole of a person convicted of a capital offense shall be considered by the board unless and until notice of the filing of such application shall have been published at least once a week for two (2) weeks in a newspaper published in or having general circulation in the county in which the crime was committed. The board shall, within thirty (30) days prior to the scheduled hearing, also give notice of the filing of the application for parole to the victim of the offense for which the prisoner is incarcerated and being considered for parole or, in case the offense be homicide, a designee of the immediate family of the victim, provided the victim or designated family member has furnished in writing a current address to the board for such purpose. The victim or designated family member shall be provided an opportunity to be heard by the board before the board makes a decision regarding release on parole. The board shall consider whether any restitution ordered has been paid in full. Parole release shall, at the hearing,

be ordered only for the best interest of society, not as an award of clemency; it shall not be considered to be a reduction of sentence or pardon. An offender shall be placed on parole only when arrangements have been made for his proper employment or for his maintenance and care, and when the board believes that he is able and willing to fulfill the obligations of a law-abiding citizen. When the board determines that the offender will need transitional housing upon release in order to improve the likelihood of the offender becoming a law-abiding citizen, the board may parole the offender with the condition that the inmate spends no more than six (6) months in a transitional reentry center. At least fifteen (15) days prior to the release of an offender on parole, the director of records of the department shall give the written notice which is required pursuant to Section 47-5-177. Every offender while on parole shall remain in the legal custody of the department from which he was released and shall be amenable to the orders of the board. Upon determination by the board that an offender is eligible for release by parole, notice shall also be given within at least fifteen (15) days before release, by the board to the victim of the offense or the victim's family member, as indicated above, regarding the date when the offender's release shall occur, provided a current address of the victim or the victim's family member has been furnished in writing to the board for such purpose.

(3) Failure to provide notice to the victim or the victim's family member of the filing of the application for parole or of any decision made by the board regarding parole shall not

constitute grounds for vacating an otherwise lawful parole determination nor shall it create any right or liability, civilly or criminally, against the board or any member thereof.

(4) A letter of protest against granting an offender parole shall not be treated as the conclusive and only reason for not granting parole.

(5) The board may adopt such other rules not inconsistent with law as it may deem proper or necessary with respect to the eligibility of offenders for parole, the conduct of parole hearings, or conditions to be imposed upon parolees, including a condition that the parolee submit, as provided in Section 47-5-601 to any type of breath, saliva or urine chemical analysis test, the purpose of which is to detect the possible presence of alcohol or a substance prohibited or controlled by any law of the State of Mississippi or the United States. The board shall have the authority to adopt rules related to the placement of certain offenders on unsupervised parole and for the operation of transitional reentry centers. However, in no case shall an offender be placed on unsupervised parole before he has served a minimum of fifty percent (50%) of the period of supervised parole.

Editor's Notes — Laws of 2021, ch. 479, § 1, provides:
"SECTION 1. This act shall be known and may be cited as the 'Mississippi Earned Parole Eligibility Act.'"

Amendment Notes — The 2021 amendment designated the formerly undesignated paragraphs (1) through (5); and in (2), substituted "Except as provided in Section 47-7-18, the board shall require" for "Before ruling on the application for parole of any offender, the board may require" at the beginning, added the fifth and sixth sentences, and in the ninth sentence, substituted "the offender" for "him or her."

§ 47-7-18. Conditions for release of parole-eligible inmates without hearing; hearing required under certain circumstances.

(1) No inmate convicted of a sex offense as defined by Section 45-33-23(h), a crime of violence as defined by Section 97-3-2, or both, nor an inmate who is eligible for geriatric parole shall be released on parole without a hearing before the Parole Board as required by Section 47-7-17. All other inmates eligible for parole pursuant to Section 47-7-3 shall be released from incarceration to parole supervision on the inmate's parole eligibility date, without a hearing before the board, if:

(a) The inmate has met the requirements of the parole case plan established pursuant to Section 47-7-3.1;

(b) A victim of the offense has not requested the board conduct a hearing;

(c) The inmate has not received a serious or major violation report within the past six (6) months;

(d) The inmate has agreed to the conditions of supervision; and

(e) The inmate has a discharge plan approved by the board.

(2) At least thirty (30) days prior to an inmate's parole eligibility date, the department shall notify the board in writing of the inmate's compliance or noncompliance with the case plan. If an inmate fails to meet a requirement of the case plan, prior to the parole eligibility date, he or she shall have a hearing before the board to determine if completion of the case plan can occur while in the community.

(3) Any inmate for whom there is insufficient information for the department to determine compliance with the case plan shall have a hearing with the board.

(4) A hearing shall be held with the board if requested by the victim following notification of the inmate's parole release date pursuant to Section 47-7-17.

(5) A hearing shall be held by the board if a law enforcement official from the community to which the inmate will return contacts the board or the department and requests a hearing to consider information relevant to public safety risks posed by the inmate if paroled at the initial parole eligibility date. The law enforcement official shall submit an explanation documenting these concerns for the board to consider.

(6) If a parole hearing is held, the board may determine the inmate has sufficiently complied with the case plan or that the incomplete case plan is not the fault of the inmate and that granting parole is not incompatible with public safety, the board may then parole the inmate with appropriate conditions. If the board determines that the inmate has sufficiently complied with the case plan but the discharge plan indicates that the inmate does not have appropriate housing immediately upon release, the board may parole the inmate to a transitional reentry center with the condition that the inmate spends no more than six (6) months in the center. If the board determines that the inmate has not substantively complied with the requirement(s) of the case plan it may deny parole. If the board denies parole, the board may schedule a subsequent parole hearing and, if a new date is scheduled, the board shall identify the corrective action the inmate will need to take in order to be granted parole. Any inmate not released at the time of the inmate's initial parole date shall have a parole hearing at least every year.

Editor's Notes — Laws of 2021, ch. 479, § 1, provides:

"SECTION 1. This act shall be known and may be cited as the 'Mississippi Earned Parole Eligibility Act.'"

Amendment Notes — The 2021 amendment, in (1), rewrote the introductory paragraph, which read: "Each inmate eligible for parole pursuant to Section 47-7-3, shall be released from incarceration to parole supervision on the inmate's parole eligibility date, without a hearing before the board, if."

§ 47-7-27. Return of violator of parole or earned release supervision; arrest of offender; hearing; revocation of parole; imprisonment for technical violation to be served in technical violation center.

(1) The board may, at any time and upon a showing of probable violation of parole, issue a warrant for the return of any paroled offender to the custody of the department. The warrant shall authorize all persons named therein to return the paroled offender to actual custody of the department from which he was paroled.

(2) Any field supervisor may arrest an offender without a warrant or may deputize any other person with power of arrest by giving him a written statement setting forth that the offender has, in the judgment of that field supervisor, violated the conditions of his parole or earned-release supervision. The written statement delivered with the offender by the arresting officer to the official in charge of the department facility from which the offender was released or other place of detention designated by the department shall be sufficient warrant for the detention of the offender.

(3) The field supervisor, after making an arrest, shall present to the detaining authorities a similar statement of the circumstances of violation. The field supervisor shall at once notify the board or department of the arrest

and detention of the offender and shall submit a written report showing in what manner the offender has violated the conditions of parole or earned-release supervision. An offender for whose return a warrant has been issued by the board shall, after the issuance of the warrant, be deemed a fugitive from justice.

(4) Whenever an offender is arrested on a warrant for an alleged violation of parole as herein provided, the board shall hold an informal preliminary hearing within seventy-two (72) hours to determine whether there is reasonable cause to believe the person has violated a condition of parole. A preliminary hearing shall not be required when the offender is not under arrest on a warrant or the offender signed a waiver of a preliminary hearing. The preliminary hearing may be conducted electronically.

(5) The right of the State of Mississippi to extradite persons and return fugitives from justice, from other states to this state, shall not be impaired by this chapter and shall remain in full force and effect. An offender convicted of a felony committed while on parole, whether in the State of Mississippi or another state, shall immediately have his parole revoked upon presentment of a certified copy of the commitment order to the board. If an offender is on parole and the offender is convicted of a felony for a crime committed prior to the offender being placed on parole, whether in the State of Mississippi or another state, the offender may have his parole revoked upon presentment of a certified copy of the commitment order to the board.

(6)(a) The board shall hold a hearing for any parolee who is detained as a result of a warrant or a violation report within twenty-one (21) days of the parolee's admission to detention. The board may, in its discretion, terminate the parole or modify the terms and conditions thereof. If the board revokes parole for one or more technical violations the board shall impose a period of imprisonment to be served in a technical violation center operated by the department not to exceed ninety (90) days for the first revocation and not to exceed one hundred twenty (120) days for the second revocation. For the third revocation, the board may impose a period of imprisonment to be served in a technical violation center for up to one hundred and eighty (180) days or the board may impose the remainder of the suspended portion of the sentence. For the fourth and any subsequent revocation, the board may impose up to the remainder of the suspended portion of the sentence. The period of imprisonment in a technical violation center imposed under this section shall not be reduced in any manner.

(b) If the board does not hold a hearing or does not take action on the violation within the twenty-one-day time frame in paragraph (a) of this subsection, the parolee shall be released from detention and shall return to parole status. The board may subsequently hold a hearing and may revoke parole or may continue parole and modify the terms and conditions of parole. If the board revokes parole for one or more technical violations the board shall impose a period of imprisonment to be served in a technical violation center operated by the department not to exceed ninety (90) days for the first revocation and not to exceed one hundred twenty (120) days for the second

revocation. For the third revocation, the board may impose a period of imprisonment to be served in a technical violation center for up to one hundred eighty (180) days or the board may impose the remainder of the suspended portion of the sentence. For the fourth and any subsequent revocation, the board may impose up to the remainder of the suspended portion of the sentence. The period of imprisonment in a technical violation center imposed under this section shall not be reduced in any manner.

(c) For a parolee charged with one or more technical violations who has not been detained awaiting the revocation hearing, the board may hold a hearing within a reasonable time. The board may revoke parole or may continue parole and modify the terms and conditions of parole. If the board revokes parole for one or more technical violations the board shall impose a period of imprisonment to be served in a technical violation center operated by the department not to exceed ninety (90) days for the first revocation and not to exceed one hundred twenty (120) days for the second revocation. For the third revocation, the board may impose a period of imprisonment to be served in a technical violation center for up to one hundred eighty (180) days or the board may impose the remainder of the suspended portion of the sentence. For the fourth and any subsequent revocation, the board may impose up to the remainder of the suspended portion of the sentence. The period of imprisonment in a technical violation center imposed under this section shall not be reduced in any manner.

(7) Unless good cause for the delay is established in the record of the proceeding, the parole revocation charge shall be dismissed if the revocation hearing is not held within the thirty (30) days of the issuance of the warrant.

(8) The chairman and each member of the board and the designated parole revocation hearing officer may, in the discharge of their duties, administer oaths, summon and examine witnesses, and take other steps as may be necessary to ascertain the truth of any matter about which they have the right to inquire.

(9) The board shall provide semiannually to the Oversight Task Force the number of warrants issued for an alleged violation of parole, the average time between detention on a warrant and preliminary hearing, the average time between detention on a warrant and revocation hearing, the number of ninety-day sentences in a technical violation center issued by the board, the number of one-hundred-twenty-day sentences in a technical violation center issued by the board, the number of one-hundred-eighty-day sentences issued by the board, and the number and average length of the suspended sentences imposed by the board in response to a violation.

Amendment Notes — The 2018 amendment, in (6), substituted "one or more technical violations" for "a technical violation" near the beginning of the third sentences of (a) and (b) and in the first and third sentences of (c), and substituted "revocation" for "technical violation" everywhere it appears in (a) and (b) and in the third, fourth and fifth sentences of (c).

§ 47-7-33. Power of court to suspend sentence and place defendant on probation; notice to Department of Corrections; support payments.

JUDICIAL DECISIONS

ANALYSIS

1. In general.
6. Propriety of particular sentences — Timeliness of petition for.
7. — Convicted felons.

1. In general.

Because appellant suffered no prejudice from an illegally lenient sentence, he could not reap the benefits of that sentence and claim in his motion for post-conviction relief to have been prejudiced as a result. Gray v. State, 269 So. 3d 331, 2018 Miss. App. LEXIS 185 (Miss. Ct. App. 2018).

Trial court exceeded its authority by suspending all but twenty years of defendant's life sentence for first-degree murder because life imprisonment was the applicable sentence for first-degree murder; therefore, the trial court had no authority to suspend any part of defendant's life sentence. Shaheed v. State, 205 So. 3d 1105, 2016 Miss. App. LEXIS 806 (Miss. Ct. App. 2016)

6. Propriety of particular sentences — Timeliness of petition for.

7. — Convicted felons.

Defendant's sentence for being a felon in possession of a firearm was not illegal because he was sentenced after the applicable statute was amended to remove the portion that prohibited a convicted felon from being placed on probation, and the five-year-probation period was not part of defendant's actual prison sentence. Davis v. State, 199 So. 3d 701, 2016 Miss. App. LEXIS 528 (Miss. Ct. App. 2016).

§ 47-7-33.1. Pre-release assessment and written discharge plan.

(1) The department shall create a discharge plan for any offender returning to the community, regardless of whether the person will discharge from the custody of the department, or is released on parole, pardon, or otherwise. At least ninety (90) days prior to an offender's earliest release date, the commissioner shall conduct a pre-release assessment and complete a written discharge plan based on the assessment results. The discharge plan for parole eligible offenders shall be sent to the parole board at least thirty (30) days prior to the offender's parole eligibility date for approval. The board may suggest changes to the plan that it deems necessary to ensure a successful transition.

(2) The pre-release assessment shall identify whether an inmate requires assistance obtaining the following basic needs upon release: transportation, clothing and food, financial resources, identification documents, housing,

employment, education, health care and support systems. The discharge plan shall include information necessary to address these needs and the steps being taken by the department to assist in this process, including an up-to-date version of the information described in Section 63-1-309(4). Based on the findings of the assessment, the commissioner shall:

(a) Arrange transportation for inmates from the correctional facility to their release destination;

(b) Ensure inmates have clean, seasonally appropriate clothing, and provide inmates with a list of food providers and other basic resources immediately accessible upon release;

(c) Ensure inmates have a provisional driver's license issued pursuant to Title 63, Chapter 1, Article 7, Mississippi Code of 1972, a regular driver's license if eligible, or a state-issued identification card that is not a Department of Corrections identification card;

(d) Assist inmates in identifying safe, affordable housing upon release. If accommodations are not available, determine whether temporary housing is available for at least ten (10) days after release. If temporary housing is not available, the discharge plan shall reflect that satisfactory housing has not been established and the person may be a candidate for transitional reentry center placement;

(e) Refer inmates without secured employment to employment opportunities;

(f) Provide inmates with contact information of a health care facility/provider in the community in which they plan to reside;

(g) Notify family members of the release date and release plan, if the inmate agrees; and

(h) Refer inmates to a community or a faith-based organization that can offer support within the first twenty-four (24) hours of release.

(3) A written discharge plan shall be provided to the offender and supervising probation officer or parole officer, if applicable.

(4) A discharge plan created for a parole-eligible offender shall also include supervision conditions and the intensity of supervision based on the assessed risk to recidivate and whether there is a need for transitional housing. The board shall approve discharge plans before an offender is released on parole pursuant to this chapter.

HISTORY: Laws, 2014, ch. 457, § 48, eff from and after July 1, 2014; Laws, 2021, ch. 390, § 8, eff from and after July 1, 2021.

Amendment Notes — The 2021 amendment, in (2), added "including an up-to-date version of the information described in Section 63-1-309(4)" in the introductory paragraph, and inserted "provisional" and "issued pursuant to Title 63, Chapter 1, Article 7, Mississippi Code of 1972, a regular driver's license if eligible" in (c); and made minor stylistic changes.

§ 47-7-34. Postrelease supervision program.

JUDICIAL DECISIONS

ANALYSIS

1. In general.
2. Revocation.
5. Propriety of particular sentences.

1. In general.

Circuit court did not err in denying appellant's motion for post-conviction relief because at the plea/sentencing hearing, the circuit court clearly informed appellant that he faced five additional years in Mississippi Department of Corrections custody if he violated the conditions of his post-release supervision. Stacks v. State, 240 So. 3d 516, 2018 Miss. App. LEXIS 132 (Miss. Ct. App. 2018).

Circuit court did not err in denying appellant's motion for post-conviction relief because it had the authority to sentence appellant to serve five years in Mississippi Department of Corrections custody after he violated multiple conditions of his post-release supervision (PSR); the statute does not require the circuit court to expressly suspend part of the defendant's sentence when the court imposes a term of PRS. Stacks v. State, 240 So. 3d 516, 2018 Miss. App. LEXIS 132 (Miss. Ct. App. 2018).

Circuit courts are encouraged to follow the customary practice to suspend a portion of the offender's sentence when imposing a term of post-release supervision (PRS); however, a technical deviation from this customary practice does not limit the circuit court's authority to terminate an offender's PRS and order him to be recommitted to Mississippi Department of Corrections custody if the offender violates the conditions of his or her PRS. Stacks v. State, 240 So. 3d 516, 2018 Miss. App. LEXIS 132 (Miss. Ct. App. 2018).

2. Revocation.

Appellant's motion for post-conviction relief was properly denied because the trial court was not request to appoint counsel during the revocation hearing; the revocation hearing was straightforward, and the trial court instructed appellant that he could cross-examine witnesses, testify on his own behalf, and call any witnesses that he wanted. Gray v. State, 269 So. 3d 331, 2018 Miss. App. LEXIS 185 (Miss. Ct. App. 2018).

5. Propriety of particular sentences.

Circuit court acted appropriately in sentencing defendant to a term of ten years in custody with four years suspended, following defendant's conviction for shooting into a dwelling house, because the sentence did not exceed the maximum statutory penalty, and, although defendant was placed on five years of supervised probation, those years were not included in the calculation of the sentence. Dorsey v. State, 310 So. 3d 1238, 2021 Miss. App. LEXIS 55 (Miss. Ct. App. 2021).

§ 47-7-36 Persons who supervise individuals placed on parole or probation shall set times and locations for required meetings that reasonably accommodate the work schedules of those individuals.

Any person who supervises an individual placed on parole by the Parole Board or placed on probation by the court shall set the times and locations for meetings that are required for parole or probation at such times and locations that are reasonably designed to accommodate the work schedule of an individual on parole or probation who is employed by another person or entity. To effectuate the provisions of this section, the parole officer or probation officer may utilize technology portals such as Skype, FaceTime or Google video chat, or any other technology portal that allows communication between the

individual on parole or probation and the parole or probation officer, as applicable, to occur simultaneously in real time by voice and video in lieu of requiring a face-to-face in person meeting of such individual and the parole or probation officer, as applicable. For individuals who are self-employed, the provisions of this section shall only apply with the agreement of their supervising parole or probation officer.

HISTORY: Laws, 2018, ch. 416, § 6, eff from and after July 1, 2018.

§ 47-7-37. Period of probation; arrest, revocation and recommitment for violation of probation or postrelease supervision; hearing; revocation of probation for technical violation; imprisonment in technical violation center; certain restrictions on imposition of bail for persons required to register as sex offender.

(1) The period of probation shall be fixed by the court, and may at any time be extended or terminated by the court, or judge in vacation. Such period with any extension thereof shall not exceed five (5) years, except that in cases of desertion and/or failure to support minor children, the period of probation may be fixed and/or extended by the court for so long as the duty to support such minor children exists. The time served on probation or post-release supervision may be reduced pursuant to Section 47-7-40.

(2) At any time during the period of probation, the court, or judge in vacation, may issue a warrant for violating any of the conditions of probation or suspension of sentence and cause the probationer to be arrested. Any probation and parole officer may arrest a probationer without a warrant, or may deputize any other officer with power of arrest to do so by giving him a written statement setting forth that the probationer has, in the judgment of the probation and parole officer, violated the conditions of probation. Such written statement delivered with the probationer by the arresting officer to the official in charge of a county jail or other place of detention shall be sufficient warrant for the detention of the probationer.

(3) Whenever an offender is arrested on a warrant for an alleged violation of probation as herein provided, the department shall hold an informal preliminary hearing within seventy-two (72) hours of the arrest to determine whether there is reasonable cause to believe the person has violated a condition of probation. A preliminary hearing shall not be required when the offender is not under arrest on a warrant or the offender signed a waiver of a preliminary hearing. The preliminary hearing may be conducted electronically. If reasonable cause is found, the offender may be confined no more than twenty-one (21) days from the admission to detention until a revocation hearing is held. If the revocation hearing is not held within twenty-one (21) days, the probationer shall be released from custody and returned to probation status.

(4) If a probationer or offender is subject to registration as a sex offender, the court must make a finding that the probationer or offender is not a danger

to the public prior to release with or without bail. In determining the danger posed by the release of the offender or probationer, the court may consider the nature and circumstances of the violation and any new offenses charged; the offender or probationer's past and present conduct, including convictions of crimes and any record of arrests without conviction for crimes involving violence or sex crimes; any other evidence of allegations of unlawful sexual conduct or the use of violence by the offender or probationer; the offender or probationer's family ties, length of residence in the community, employment history and mental condition; the offender or probationer's history and conduct during the probation or other supervised release and any other previous supervisions, including disciplinary records of previous incarcerations; the likelihood that the offender or probationer will engage again in a criminal course of conduct; the weight of the evidence against the offender or probationer; and any other facts the court considers relevant.

(5)(a) The probation and parole officer after making an arrest shall present to the detaining authorities a similar statement of the circumstances of violation. The probation and parole officer shall at once notify the court of the arrest and detention of the probationer and shall submit a report in writing showing in what manner the probationer has violated the conditions of probation. Within twenty-one (21) days of arrest and detention by warrant as herein provided, the court shall cause the probationer to be brought before it and may continue or revoke all or any part of the probation or the suspension of sentence. If the court revokes probation for one or more technical violations, the court shall impose a period of imprisonment to be served in either a technical violation center or a restitution center not to exceed ninety (90) days for the first revocation and not to exceed one hundred twenty (120) days for the second revocation. For the third revocation, the court may impose a period of imprisonment to be served in either a technical violation center or a restitution center for up to one hundred eighty (180) days or the court may impose the remainder of the suspended portion of the sentence. For the fourth and any subsequent revocation, the court may impose up to the remainder of the suspended portion of the sentence. The period of imprisonment in a technical violation center imposed under this section shall not be reduced in any manner.

(b) If the offender is not detained as a result of the warrant, the court shall cause the probationer to be brought before it within a reasonable time and may continue or revoke all or any part of the probation or the suspension of sentence, and may cause the sentence imposed to be executed or may impose any part of the sentence which might have been imposed at the time of conviction. If the court revokes probation for one or more technical violations, the court shall impose a period of imprisonment to be served in either a technical violation center or a restitution center not to exceed ninety (90) days for the first revocation and not to exceed one hundred twenty (120) days for the second revocation. For the third revocation, the court may impose a period of imprisonment to be served in either a technical violation center or a restitution center for up to one hundred eighty (180) days or the

court may impose the remainder of the suspended portion of the sentence. For the fourth and any subsequent revocation, the court may impose up to the remainder of the suspended portion of the sentence. The period of imprisonment in a technical violation center imposed under this section shall not be reduced in any manner.

(c) If the court does not hold a hearing or does not take action on the violation within the twenty-one-day period, the offender shall be released from detention and shall return to probation status. The court may subsequently hold a hearing and may revoke probation or may continue probation and modify the terms and conditions of probation. If the court revokes probation for one or more technical violations, the court shall impose a period of imprisonment to be served in either a technical violation center operated by the department or a restitution center not to exceed ninety (90) days for the first revocation and not to exceed one hundred twenty (120) days for the second revocation. For the third revocation, the court may impose a period of imprisonment to be served in either a technical violation center or a restitution center for up to one hundred eighty (180) days or the court may impose the remainder of the suspended portion of the sentence. For the fourth and any subsequent revocation, the court may impose up to the remainder of the suspended portion of the sentence. The period of imprisonment in a technical violation center imposed under this section shall not be reduced in any manner.

(d) For an offender charged with a technical violation who has not been detained awaiting the revocation hearing, the court may hold a hearing within a reasonable time. The court may revoke probation or may continue probation and modify the terms and conditions of probation. If the court revokes probation for one or more technical violations the court shall impose a period of imprisonment to be served in either a technical violation center operated by the department or a restitution center not to exceed ninety (90) days for the first revocation and not to exceed one hundred twenty (120) days for the second revocation. For the third revocation, the court may impose a period of imprisonment to be served in either a technical violation center or a restitution center for up to one hundred eighty (180) days or the court may impose the remainder of the suspended portion of the sentence. For the fourth and any subsequent revocation, the court may impose up to the remainder of the suspended portion of the sentence. The period of imprisonment in a technical violation center imposed under this section shall not be reduced in any manner.

(6) If the probationer is arrested in a circuit court district in the State of Mississippi other than that in which he was convicted, the probation and parole officer, upon the written request of the sentencing judge, shall furnish to the circuit court or the county court of the county in which the arrest is made, or to the judge of such court, a report concerning the probationer, and such court or the judge in vacation shall have authority, after a hearing, to continue or revoke all or any part of probation or all or any part of the suspension of sentence, and may in case of revocation proceed to deal with the case as if there

had been no probation. In such case, the clerk of the court in which the order of revocation is issued shall forward a transcript of such order to the clerk of the court of original jurisdiction, and the clerk of that court shall proceed as if the order of revocation had been issued by the court of original jurisdiction. Upon the revocation of probation or suspension of sentence of any offender, such offender shall be placed in the legal custody of the State Department of Corrections and shall be subject to the requirements thereof.

(7) Any probationer who removes himself from the State of Mississippi without permission of the court placing him on probation, or the court to which jurisdiction has been transferred, shall be deemed and considered a fugitive from justice and shall be subject to extradition as now provided by law. No part of the time that one is on probation shall be considered as any part of the time that he shall be sentenced to serve.

(8) The arresting officer, except when a probation and parole officer, shall be allowed the same fees as now provided by law for arrest on warrant, and such fees shall be taxed against the probationer and paid as now provided by law.

(9) The arrest, revocation and recommitment procedures of this section also apply to persons who are serving a period of post-release supervision imposed by the court.

(10) Unless good cause for the delay is established in the record of the proceeding, the probation revocation charge shall be dismissed if the revocation hearing is not held within thirty (30) days of the warrant being issued.

(11) The Department of Corrections shall provide semiannually to the Oversight Task Force the number of warrants issued for an alleged violation of probation or post-release supervision, the average time between detention on a warrant and preliminary hearing, the average time between detention on a warrant and revocation hearing, the number of ninety-day sentences in a technical violation center issued by the court, the number of one-hundred-twenty-day sentences in a technical violation center issued by the court, the number of one-hundred-eighty-day sentences issued by the court, and the number and average length of the suspended sentences imposed by the court in response to a violation.

JUDICIAL DECISIONS

ANALYSIS

3. Jurisdiction.
4. Proceedings; right to counsel.
6. Propriety of particular sentences.
7. Miscellaneous.

3. Jurisdiction.

Appellant's claim for excessive detention while awaiting a revocation hearing was procedurally barred because appellant should have either filed a habeas petition or a motion for relief pursuant to subsection (3), and his failure to do so resulted in the issue never being presented to the circuit court and, therefore, it was procedurally barred on appeal. Edmonson v. State, 238 So. 3d 1218, 2018 Miss. App. LEXIS 101 (Miss. Ct. App. 2018).

4. Proceedings; right to counsel.

Appellant's motion for post-conviction relief was properly denied because the trial court was not requested to appoint counsel during the revocation hearing; the revocation hearing was straightforward, and the trial court instructed appellant that he could cross-examine witnesses, testify on his own behalf, and call any witnesses that he wanted. Gray v. State, 269 So. 3d 331, 2018 Miss. App. LEXIS 185 (Miss. Ct. App. 2018).

6. Propriety of particular sentences.

Circuit court did not err in summarily dismissing appellant's post-conviction-relief motion because its decision to impose a period of imprisonment greater than ninety days was not clearly erroneous since appellant committed at least three technical violations of his post-release supervision. Edmonson v. State, 238 So. 3d 1218, 2018 Miss. App. LEXIS 101 (Miss. Ct. App. 2018).

7. Miscellaneous.

Appellant's claim for excessive detention while awaiting a revocation hearing lacked support because the record on appeal was sparse on the details of appellant's arrest and subsequent pre-hearing detention; the record also was void of any transcript from appellant's revocation hearing. Edmonson v. State, 238 So. 3d 1218, 2018 Miss. App. LEXIS 101 (Miss. Ct. App. 2018)

Because appellant violated three other conditions of his post-release supervision in addition to the condition requiring that he not commit any state or federal offense, appellant committed three "technical violations," and thus, the circuit court was within its authority to impose the remainder of the suspended portion of his sentence. Claverie v. State, 261 So. 3d 1120, 2018 Miss. App. LEXIS 122 (Miss. Ct. App. 2018), cert. denied, 260 So. 3d 797, 2019 Miss. LEXIS 36 (Miss. 2019).

Appellant was afforded a neutral and detached probation revocation hearing because the circuit court judge did not prosecute for the State when he recited the allegations, asked appellant if he disputed or admitted them, and asked the probation officer if he had anything to add. Walker v. State, 230 So. 3d 709, 2016 Miss. App. LEXIS 666 (Miss. Ct. App. 2016).

Revocation of appellant's probation was proper because appellant did not report to his probation officer and did not pay the requisite fees and restitution; by appellant's own admission, he did, in fact, violate the conditions of his probation. Walker v. State, 230 So. 3d 709, 2016 Miss. App. LEXIS 666 (Miss. Ct. App. 2016).

§ 47-7-37.1. Revocation of probation or post-release supervision.

JUDICIAL DECISIONS

1. Imposition of remainder of sentence.

There was sufficient record evidence to support the circuit court's determination that appellant more likely than not violated the condition of his post-release supervision order that required that he not commit any state or federal offense; accordingly, the circuit court was authorized to impose the remaining portion of appellant's suspended sentence. Claverie v. State, 261 So. 3d 1120, 2018 Miss. App. LEXIS 122 (Miss. Ct. App. 2018), cert. denied, 260 So. 3d 797, 2019 Miss. LEXIS 36 (Miss. 2019).

§ 47-7-40. Earned-discharge program; eligibility; accrual of earned-discharge credits.

(1) The commissioner shall establish rules and regulations for implementing the earned-discharge program that allows offenders on probation and parole to reduce the period of supervision for complying with conditions of probation. The department shall have the authority to award earned-discharge credits to all offenders placed on probation, parole, or post-release supervision who are in compliance with the terms and conditions of supervision. An offender serving a Mississippi sentence for an eligible offense in any jurisdiction under the Interstate Compact for Adult Offender Supervision shall be eligible for earned-discharge credits under this section. Offenders shall not be denied earned-discharge credits solely based on nonpayment of fees or fines if a hardship waiver has been granted as provided in Section 47-7-49.

(2) For each full calendar month of compliance with the conditions of supervision, earned-discharge credits equal to the number of days in that month shall be deducted from the offender's sentence discharge date. Credits begin to accrue for eligible offenders after the first full calendar month of compliance supervision conditions. For the purposes of this section, an offender is deemed to be in compliance with the conditions of supervision if there was no violation of the conditions of supervision.

(3) No earned-discharge credits may accrue for a calendar month in which a violation report has been submitted, the offender has absconded from supervision, the offender is serving a term of imprisonment in a technical violation center, or for the months between the submission of the violation report and the final action on the violation report by the court or the board.

(4) Earned-discharge credits shall be applied to the sentence within thirty (30) days of the end of the month in which the credits were earned. At least every six (6) months, an offender who is serving a sentence eligible for earned-discharge credits shall be notified of the current sentence discharge date.

(5) Once the combination of time served on probation, parole or post-release supervision, and earned-discharge credits satisfy the term of probation, parole, or post-release supervision, the board or sentencing court shall order final discharge of the offender. No less than sixty (60) days prior to the date of final discharge, the department shall notify the sentencing court and the board of the impending discharge.

(6) The department shall provide semiannually to the Oversight Task Force the number and percentage of offenders who qualify for earned discharge in one or more months of the year and the average amount of credits earned within the year.

§ 47-7-49. Creation of community service revolving fund; payments by offender on probation, parole, earned-release supervision, post-release supervision, or earned probation; disposition of payments; time limit on payments [Repealed effective June 30, 2022].

(1) Any offender on probation, parole, earned-release supervision, post-release supervision, earned probation or any other offender under the field supervision of the Community Services Division of the department shall pay to the department the sum of Fifty-five Dollars ($55.00) per month by certified check or money order unless a hardship waiver is granted. An offender shall make the initial payment within sixty (60) days after being released from imprisonment unless a hardship waiver is granted. A hardship waiver may be granted by the sentencing court or the Department of Corrections. A hardship waiver may not be granted for a period of time exceeding ninety (90) days. The commissioner or his designee shall deposit Fifty Dollars ($50.00) of each payment received into a special fund in the State Treasury, which is hereby created, to be known as the Community Service Revolving Fund. Expenditures from this fund shall be made for: (a) the establishment of restitution and satellite centers; and (b) the establishment, administration and operation of the department's Drug Identification Program and the intensive and field supervision program. The Fifty Dollars ($50.00) may be used for salaries and to purchase equipment, supplies and vehicles to be used by the Community Services Division in the performance of its duties. Expenditures for the purposes established in this section may be made from the fund upon requisition by the commissioner, or his designee.

Of the remaining amount, Three Dollars ($3.00) of each payment shall be deposited into the Crime Victims' Compensation Fund created in Section

99-41-29, and Two Dollars ($2.00) shall be deposited into the Training Revolving Fund created pursuant to Section 47-7-51. When a person is convicted of a felony in this state, in addition to any other sentence it may impose, the court may, in its discretion, order the offender to pay a state assessment not to exceed the greater of One Thousand Dollars ($1,000.00) or the maximum fine that may be imposed for the offense, into the Crime Victims' Compensation Fund created pursuant to Section 99-41-29.

Any federal funds made available to the department for training or for training facilities, equipment or services shall be deposited into the Correctional Training Revolving Fund created in Section 47-7-51. The funds deposited in this account shall be used to support an expansion of the department's training program to include the renovation of facilities for training purposes, purchase of equipment and contracting of training services with community colleges in the state.

No offender shall be required to make this payment for a period of time longer than ten (10) years.

(2) The offender may be imprisoned until the payments are made if the offender is financially able to make the payments and the court in the county where the offender resides so finds, subject to the limitations hereinafter set out. The offender shall not be imprisoned if the offender is financially unable to make the payments and so states to the court in writing, under oath, and the court so finds.

(3) This section shall stand repealed from and after June 30, 2022.
